

Engine oil approval C40 GT

Good to know – Owner's Manual supplement

WKD 95104 B 21 24

Choosing engine oil

Information

This description supplements the corresponding content in the "Choosing engine oil" section of your printed Vehicle Owner's Manual.

Porsche recommends **Mobil 1**.

Porsche recommends asking your authorized Porsche Center for information about the right engine oil.

| Approval | SAE viscosity class |
|----------------|---------------------|
| Porsche C40 GT | SAE 0W-40 |

NOTE

The wrong engine oil can cause engine damage.

By 02/01/2024, the specifications of engine oil approval C40 and VW 511 00 will be adjusted.

Engine oil purchased as of the effective date of these approvals must not be used for your vehicle.

- ▶ Engine oil purchased **before 02/01/2024** with the C40 or VW 511 00 approval may continue to be used.
- ▶ Engine oil purchased **as of 02/01/2024** must comply with the C40 GT approval.
