Hello there. This email is an automatic reply to the recent on-line order request that you placed at www.pelicanparts.com. If in fact you did not recently place an order on-line, then please contact us immediately, as your personal credit card and information may be in use by someone else.

Please note that this is not an invoice from Pelican Parts, but merely an order request. If we have any questions or concerns regarding your order, or if you entered a question about your order in the comments field, then we will contact you either by email or by phone.

We thank you for your repeated business, as your support directly helps the growth of our Free technical website. We are always looking for ways to improve both the site, and our service. If you have any suggestions, comments, or (hopefully not) complaints please feel free to send us a message in our Message Center and we respond quickly to your inquiry. Or simply call us at 1-888-280-7799 during normal business hours. (Message Center URL: <http://www.pelicanparts.com/support/ContactUs.htm>)

When calling for questions about your order please have a copy of this invoice handy. Additionally, please have your On-line Order
