Sign Up For This Drive is Closed.

This is a 2016 Drive, sign up for it is long since closed. QDM 2017 Drives are **not** yet open. Drive sign-ups will open once registration has closed, and the committee has finalized the drive list. This requires working with over a dozen volunteer driver leaders to plan each route.

We've left the 2016 drive pages up for your reference. We expect to have a similar mix of drives available this year.

We will send out an email to all registered attendees before sign-up opens, and let you know exactly when it will open. Thank you for your patience!
