

# ProductUpdate: MY21 911 Model Year Changes

---

The following MY21 911 models has been released to the Dealer Car Configurator (DCC) on March 25, 2020:

- 911 Carrera
- 911 Carrera Cabriolet
- 911 Carrera 4
- 911 Carrera 4 Cabriolet
- 911 Carrera S
- 911 Carrera S Cabriolet
- 911 Carrera 4S
- 911 Carrera 4S Cabriolet

Please see below for details on changes and additions from MY20 to MY21.

Naming, pricing, and details are subject to change.

**Update 3/25/20:** DCC is now live. Internet Car Configurator (ICC) will be live in the coming weeks and this post will be updated when it goes live. Additional tire temp photo added below.

## **Update 4/20/20:**

- Detailed information on new Exclusive Manufaktur Interiors can be found here: [ProductUpdate: MY21 911 Exclusive Manufaktur Leather Interiors](#)
- New option for all RWD 992 variants: 0I2 Extended Range Fuel Tank (23.7 gal.)
- Update regarding streamlined Custom Tailoring order process added to New Exclusive Options section
  
- Added note regarding new Porsche Connect Honk/Flash functionality to Miscellaneous Changes section
- Added note regarding new Porsche Track Precision App compatibility with Apple CarPlay to Miscellaneous Changes section
- In consideration of the current situation and MY20 orders that are still incoming, the **launch** of the **Internet Car Configurator (ICC)** for **MY21 992 Base/S** models has been **held off**. If a customer expresses specific interest in a MY21 992 Base/S model, it is recommended to conduct **virtual co-configuring** calls with **screen sharing** of the **Dealer Car Configurator (DCC)** for the time being.

## **New Standard Equipment**

- **Comfort Access** is now standard and also includes unlock on approach (i.e. door handle(s) will extend automatically when approaching with key in pocket)

Comfort Access now standard

## Exterior Colors

- **Python Green** as a **new** special color will begin with September allocations
- **Miami Blue** is planned for **discontinuation** as of August 2020 allocations
- **Shark Blue** will join the color range later in 2020 or early 2021 with timing still to be finalized
- **Custom Color** has now returned with 50 colors initially and to be expanded to 115 colors by the end of the year
  - See [The Custom Color/Color to Sample Process](#) for more information on ordering

Python Green

## New Optional Equipment - Highlights

- In order to better align with customer demand and competitor offerings, **Premium Package** pricing has been lowered and has been adjusted to include the following:
  - Porsche Dynamic Light System Plus (PDLS+)
  - Ventilated Seats (Front)
  - **Surround View**
  - **Lane Change Assist (LCA)**
- **Power Folding Mirrors**
- **Ambient Lighting**
- **Storage Package**
- BOSE Surround Sound System
- Upgrades to Burmester and LED-Matrix headlights are still possible
- Light Design Package has been renamed **Ambient Lighting** as it now includes **7 color** schemes similar to Panamera, Cayenne, and Taycan
- **Front Axle Lift** has now been enhanced with a **GPS** linked function where it will remember frequently lifted locations along a route and automatically lift
- **Sport Chrono Package** now also includes a **tire temperature display**, an animated example is shown below
- **Porsche InnoDrive** is now available and also includes **Active Lane Keep**
- **Lightweight and Noise Insulated Glass** is now available for Coupe models (refer to for further info)
- **930 Leather Package** is now available for all 911 models which includes the door panel and seat stitching shown below
- **Extended Range Fuel Tank (23.7 gal.)** is now available for all **RWD 911** variants

- 6E8 - Customized Center Console Storage Compartment Lid
- P19 - Pedals and Footrest in Aluminum

Option names subject to change upon release. Refer to configurator for latest details (hint: use the search box and type in the option code).

### Custom Tailoring Ordering Process Changes

In order to streamline and simplify the ordering process, many of the **free text fields** for Custom Tailoring options have been **removed in favor of clickable color tiles**. This results in the following **benefits**:

- Less required additional time in text handling status (V110/V180)
- Less potential for errors or orders sent back with incorrect/improbable free/text
- Clearer availability of color choices and customization ability
- More ability to customize in conjunction with Deviated Stitching packages

Hint: Custom Tailoring options for 992 models start with the letter "A" in the option code

## Miscellaneous Changes

- Night Vision Assist cleaning button under the wiper stalk has been removed and actuation is now tied with multiple windshield washer actuation
- Rear Wiper light on stalk has been removed
- The following optional wheels now have an adjusted offset in the front from the previous ET53 to ET50 for a more aesthetically pleasing flush look
  - RS Spyder Design
  - Carrera Classic
  - Carrera Exclusive Design
- Alcantara is now grouped under a generic sales name Race-TEX as part of a transition to new suppliers
- Lip on back of rear seats (when folded) on coupe models has been removed, "shelf" is now smooth
- Similar to E3 Cayenne models, MY21 992 models will now have the ability to trigger the Horn and Flash functions via the Porsche Connect app in addition to the existing Lock/Unlock functions
- Porsche Track Precision App is now also compatible with Apple CarPlay on all MY20/MY21 992 models equipped with Sport Chrono Package
