Naming, pricing, and details are subject to change. Please refer to configurator for most up-to-date information. Some new options are still being worked on may not visualize yet, in particular the new Exclusive Manufaktur

and Custom Tailoring options. Visualizations are based on European specification and US specific equipment may not visualize.

## Pricing

A normal year over year MSRP increase is in place for MY22 and also reflects some of the additional changes detailed below including the updated PCM.

Model	MY21 MSRP	Increase	MY22 MSRP
911 Carrera	\$ 99,200	\$2000	\$ 101,200
911 Carrera Cabriolet	\$ 112,000		\$ 114,000
911 Carrera 4	\$ 106,500		\$ 108,500
911 Carrera 4 Cabriolet	\$ 119,300		\$ 121,300
911 Carrera S	\$ 115,100		\$ 117,100
911 Carrera S Cabriolet	\$ 127,900		\$ 129,900
911 Carrera 4S	\$ 122,400		\$ 124,400
911 Carrera 4S Cabriolet	\$ 135,200		\$ 137,200
911 Targa 4	\$ 119,300		\$ 121,300
911 Targa 4S	\$ 135,200		\$ 137,200
911 Turbo	\$ 170,800	\$3500	\$ 174,300
911 Turbo Cabriolet	\$ 183,600		\$ 187,100
911 Turbo S	\$ 203,500		\$ 207,000
911 Turbo S Cabriolet	\$ 216,300		\$ 219,800

## Exterior Colors

- **Shark Blue**, familiar as the 992 GT3 launch color, is now available as a **new special color** across the 911 model range
- **Night Blue Metallic** is planned to be **discontinued after November 2021** allocations in order to begin preparations for another color offering by the next model year at latest.
- The tested **Custom Color palette** has been **greatly expanded** and the latest lists can be found at this post: [Vehicle Distribution - Exterior Custom Color/Color to Sample Color Lists](#)
- **Color to Sample** has now returned allowing customers to submit a paint color of their choosing for feasibility testing at an extra cost.
  - For more details, please follow this post: [The Custom Color/Color to Sample Process](#)

Shark Blue now available across the 911 model range

## Updated PCM - MIB3

A **completely revamped Porsche Communication Management (PCM)** is now included as standard across all MY22 911 models. The new PCM version MIB3 features the following:

- **New User Interface** layout familiar from Taycan, but with accents in red instead of blue
  - Home Screen can now be reorganized by simple drag and drop
- The **Media** menu has been **optimized** with a larger touch layout and clearer design
- **Navigation trip overview** displays show upcoming traffic incidents
- New **dark mode** for **map** display
- **Simplified search** functions
- **Natural voice control** with **"Hey Porsche"** activation
- **Apple Music** and Apple Podcasts directly integrated
- **SiriusXM with 360L** support including 3-month trial
- **Wireless Apple CarPlay** and **Wired Android Auto** support included as standard for **3 years** with option to extend to unlimited at time of ordering or later on as a Function on Demand for a higher price
- Switch to **2 USB-C ports** in center console and removal of SD and SIM card slots
- Use of Suspend2RAM for **increased start-up speed** of PCM (disabled after extended parking periods for power saving)
- **Dedicated HomeLink shortcut** in right hand side bar when programmed

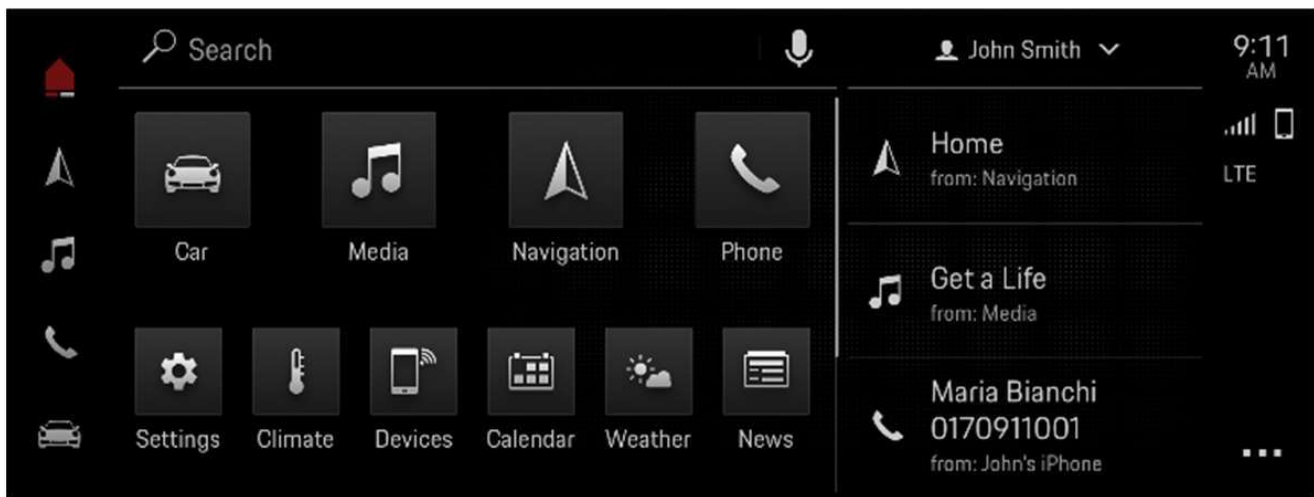

The Porsche Connect offering has been significantly restructured, simplified, and expanded.

- **Connect Care** is **included** for **10 years** with the following features:
  - Breakdown Call
  - Smart Service

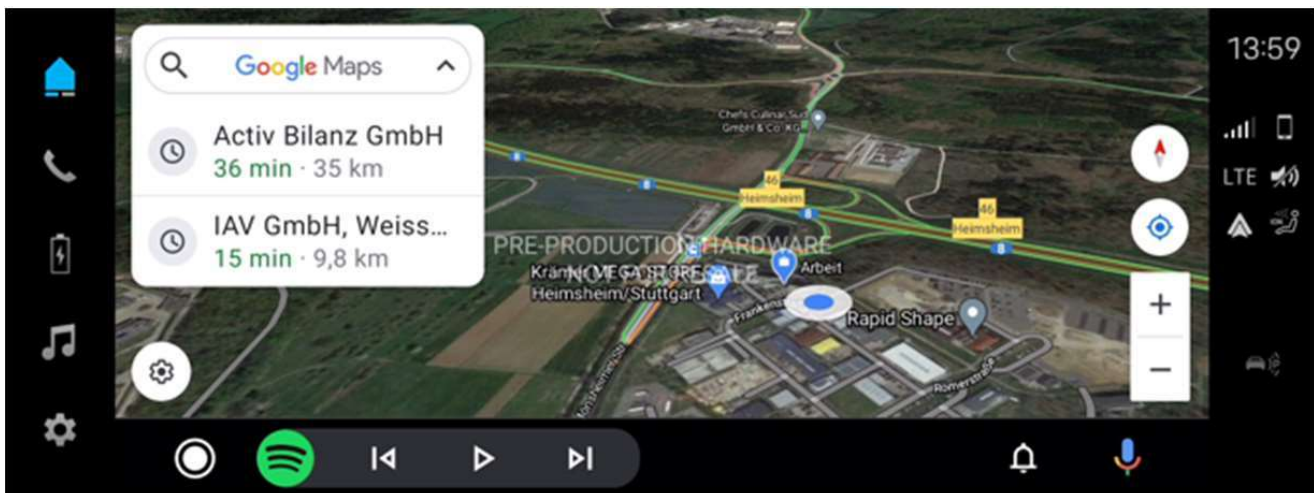

ProductUpdate: MY22 911 Model Year Changes

- Online Software Updates
- **Porsche Connect** package is **included for 3 years** with the following features:
  - Navigation Plus including Real Time Traffic Information and Online Map Update
  - Finder with online POI Search
  - Voice Pilot with natural language understanding and activation via "Hey Porsche"
  - Seamless integration of Apple Music and Apple Podcasts
  - Radio Plus including Online Radio, Hybrid Radio, and Gracenote Online
  - News, Weather, Calendar
  - Remote features including car control, lock/unlock, horn and indicator, speed alarm, valet alarm
  - Online software update
  - Wireless Apple CarPlay and Wired Android Auto support (also available as standalone extension and Function on Demand)

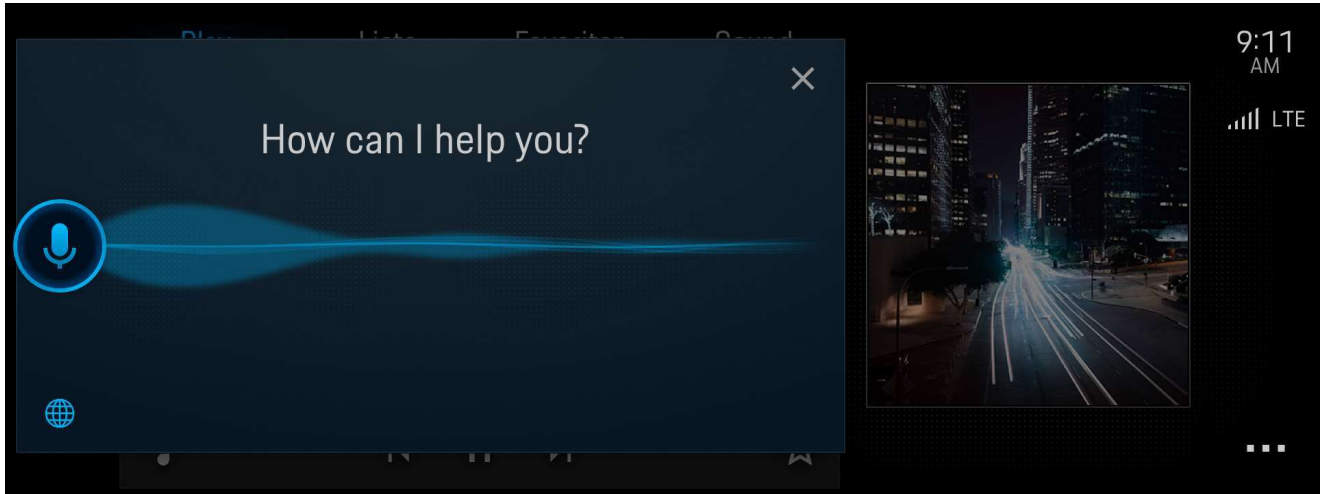

All screens shown below are draft design and subject to change.

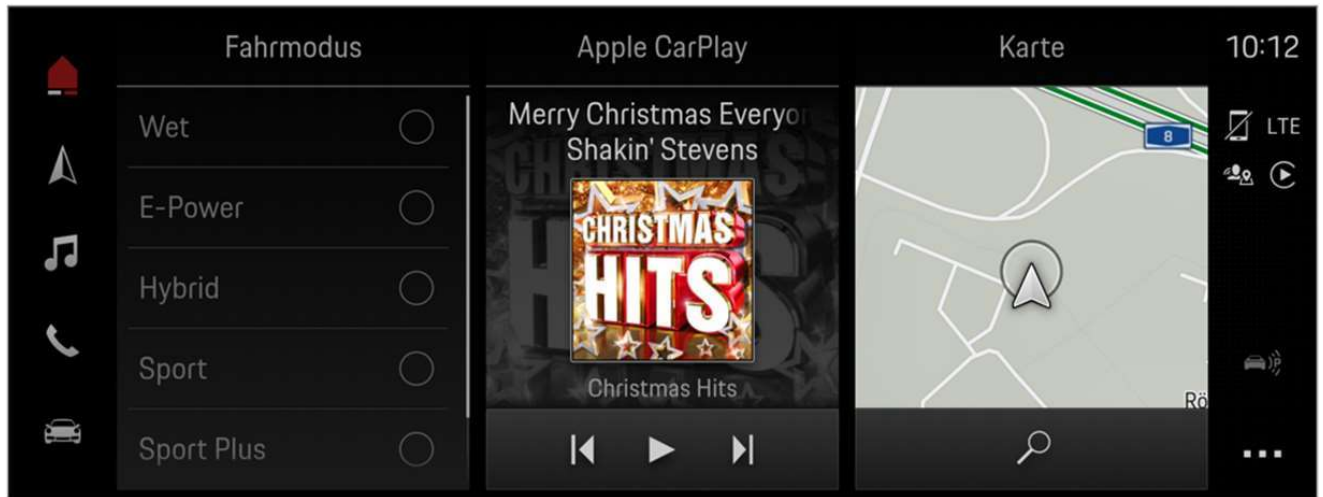

New UI layout

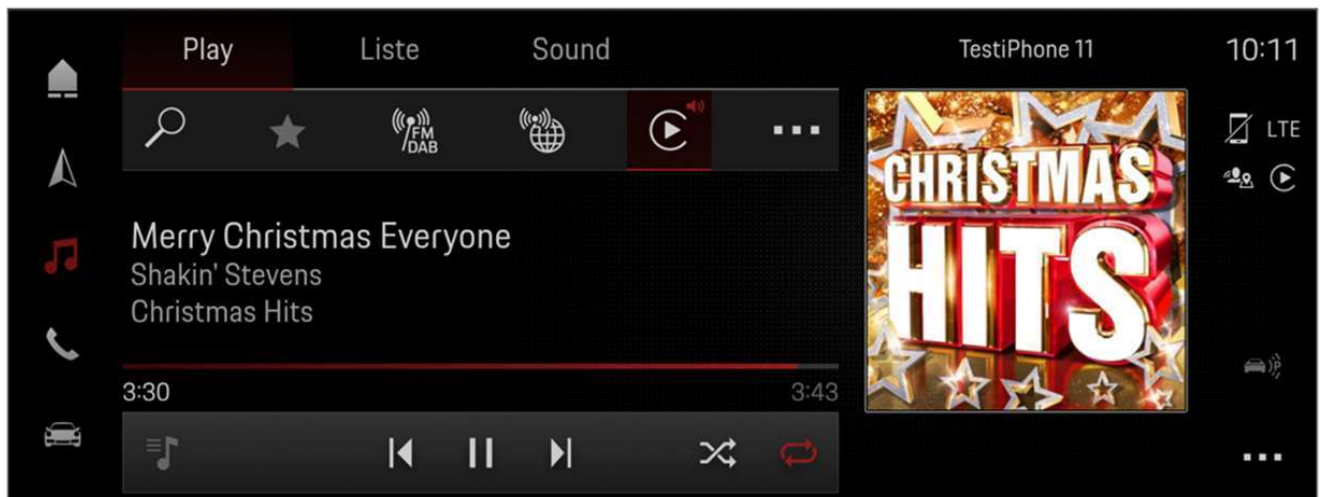

Wired Android Auto support now included for 3 years as standard

Online Voice Pilot with "Hey Porsche" support

Customizable home screen

New Media menu with CarPlay as a source

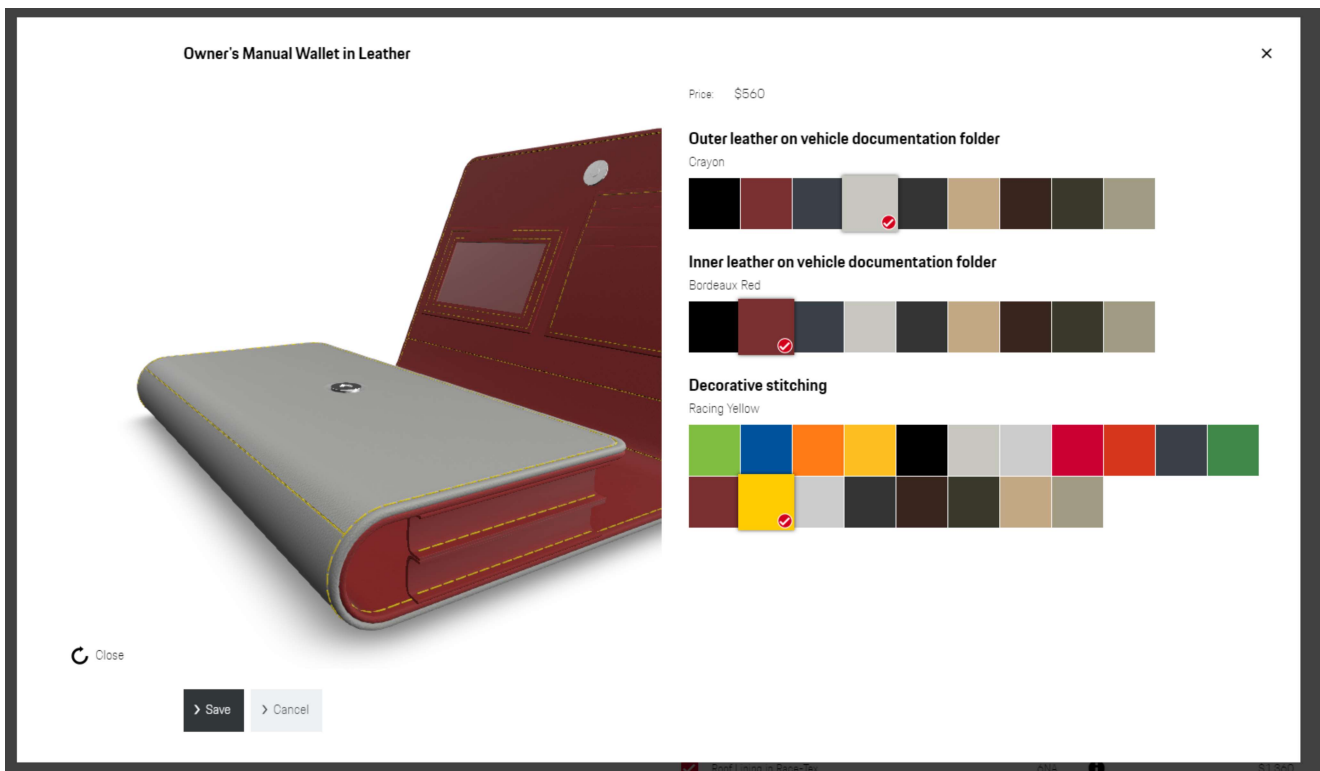

New Navigation layout with trip overview

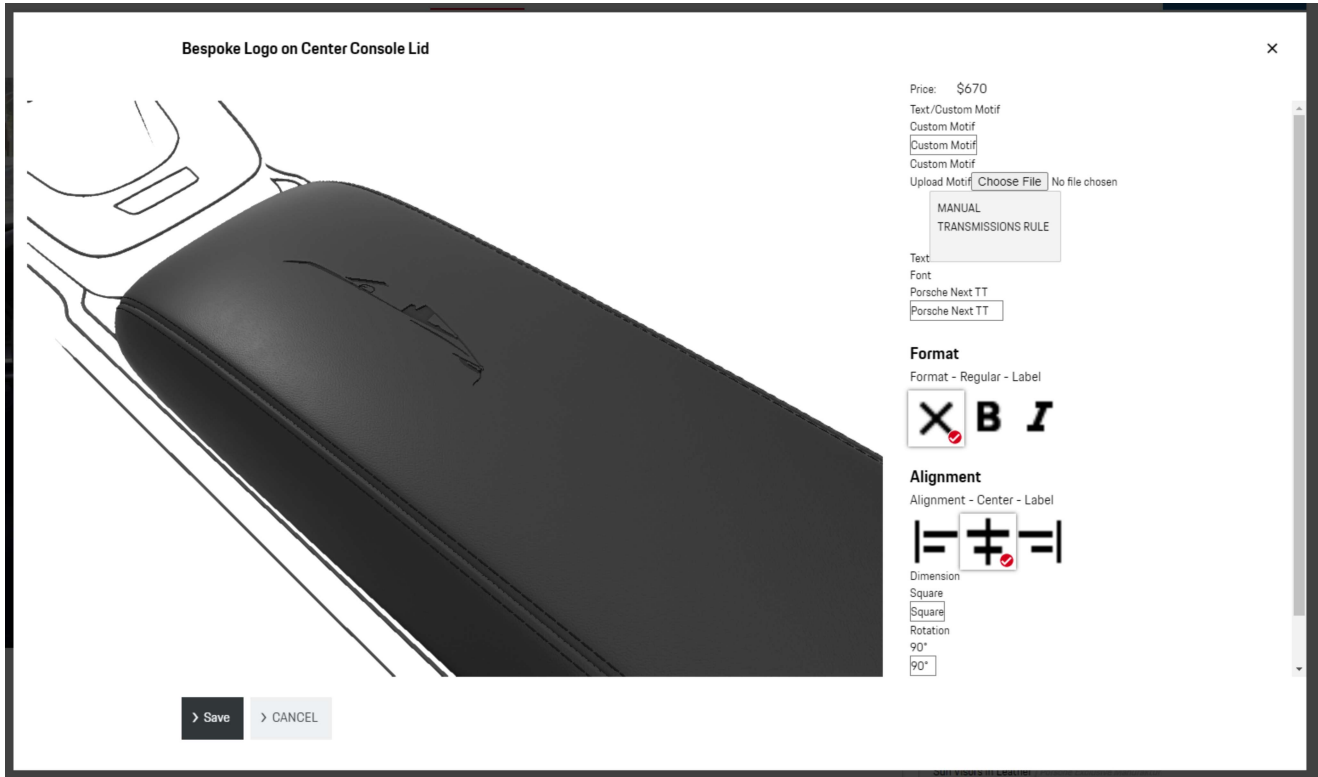

## Optional Equipment Changes

- **New option Remote ParkAssist incl. Lane Change Assist and 3D SurroundView** includes the following functions:
  - Remote-controlled parking (entering and leaving) via smartphone app
  - Garage pilot for narrow garages
  - Active Parking Support for parking assistance while still in the driver's seat
  - Surround View with additional 3D panning capabilities
  - Lane Change Assist enhanced with Rear Cross Traffic Alert
  - For additional descriptions and disclaimers, refer to the configurator description
  - This option is available in conjunction with Premium Package as a new package
- **New option for Wireless Apple CarPlay and Wired Android Auto Integration - Unlimited Extension** to extend past the included 3 years (all 911 except GT3 where it is already included)
  - A new prompt has been added to the Dealer Car Configurator when starting a new 911 configuration to choose between included 3 years or unlimited extension.
- **New standalone option for Preparation for Roof Transport System** to allow compatibility without having to order a sunroof on Coupe models
  - Sunroof in metal/glass options still already include this preparation and does not require this new additional option. This option is only for no sunroof or the optional Carbon Fiber roof.
- New or updated **Exclusive Manufaktur options**:
  - 6E8 - **Bespoke Logo on Center Console Lid**
  - BYX - **Personalized Floor Mats with Leather Edging**
  - BYF - **Vehicle Keys in Leather incl. One Key Pouch in Leather**
  - BYG - **Owner's Manual Wallet in Leather**
  - New options with an **interactive personalization dialog** box in the configurator:
    - BYE - **Vehicle Keys Painted incl. One Key Pouch in Leather**
  - **RS Spyder Wheel** now available in **Satin Black** finish
  - **New option Exterior Package Painted in Exterior Color** for Carrera/Targa models
  - **New option Exterior Package Painted in High-Gloss Black** for Carrera S/4S models
  - **New option for Sport Chrono Package with Porsche Design Subsecond Clock**

- The **Exclusive Manufaktur Leather Interior two-tone color combinations** possibilities have greatly expanded. The **4 upper colors Black, Slate Grey, Graphite Blue, and Bordeaux Red** can be combined with any of the following **lower colors**:
  - Black
  - Slate Grey
  - Chalk
  - Iceland Green
  - Graphite Blue
  - Mojave Beige
  - Bordeaux Red
- Note: The lower color selection is retained when changing through upper colors. Be sure to confirm/edit option 24940 Color Selection for Exclusive Manufaktur Leather at the bottom Z-Options or via the Summary menu.
- The following options are tentatively planned to be added for **December 2021 allocations onwards**:
  - Preparation Wiring for Dashcam
  - 20"/21" 911 Turbo S Carbon Fiber Composite Wheels

The visualization is 3D and you can pan/zoom for better views.

Custom design files can be uploaded and rendered instantly!

## Miscellaneous Changes

- Window switches and seat memory switches changed from High Gloss Black to Matte Black
- New owner's manual wallet
- Lightweight and Noise Insulated Glass is now only available on Turbo S in conjunction with Lightweight Package and as standard on GT3 models
