Dear Porsche enthusiast,

Thank you for taking the time and care to configure your Porsche. Decades ago, Dr. Ferdinand Porsche could not find the car of his dreams, so he built his own. Hopefully given all the options and colors you had to choose from you were able to do the same.

If you'd like to continue the journey toward making your dream car a reality, your local Porsche dealer is here to help. They have certified experts who can provide consultation on how you can make your Porsche even more personalized via Porsche Exclusive Manufaktur or Porsche Tequipment vehicle accessories. Of course, they can also assist with finance and lease options.

You can find and contact your nearest Porsche dealership by visiting www.porschedealer.com. From there you are welcome to share your Porsche Code at the bottom of this letter and schedule a visit and a test drive.

We hope to see you soon.

Sincerely,

Your Porsche Team
