Maintenance

WKD 902 00 23 21

06/2020

Dear Owner,

Please present this booklet to an authorized Porsche dealer if vehicle service is required. Services performed by your authorized Porsche dealer will be recorded in the maintenance record by your service advisor.

Porsche Cars North America, Inc.

Dr. Ing. h.c. F. Porsche AG is the owner of numerous trademarks, both registered and unregistered, including, without limitation, the Porsche Crest[®], Porsche[®], Boxster[®], Carrera[®], Cayenne[®], Cayman[®], Macan[®], Panamera[®], Taycan[®], PCM[™], PDK[®], 911[®], 718[®], 4S[®], RS[®] and the model numbers and the distinctive shapes of the Porsche automobiles, such as the federally registered 911 and Boxster automobiles in the US. The third party trademarks contained herein are the property of their respective owners. All text, images, and other content in this publication are protected by copyright. No part of this publication may be reproduced in any form or by any means without prior written permission of Porsche Cars North America, Inc.

Porsche Cars North America, Inc. and its affiliates believe the specifications to be correct at the time of printing. However, specifications, standard equipment, and options are subject to change without notice. Some options may be unavailable when any particular car is built. Some vehicles may be shown with equipment that is not available in the US or Canada. Please ask your authorized Porsche dealer for advice concerning the current availability of options and verify that your vehicle includes the optional equipment you ordered.

Porsche recommends seat belt usage and observance of traffic laws at all times.

Maintenance schedule

Scheduled maintenance

The recommended service intervals and scope of work apply under normal driving conditions and do not take into account all optional equipment.

Dusty areas require more frequent checking and possible replacement of the air filter elements.

If the vehicle is driven on very dirty roads, the radiators and cooling-air inlets in the front should be checked and cleaned regularly.

Tire, clutch, brake pad and brake disk wear as well as the condition of the engine oil, the transmission fluids and the brake fluid (e.g. in the case of sporting events) are all largely dependent on driving habits, and are also affected by adverse operating conditions; this could mean shorter intervals between servicing and replacement.

Time-dependent maintenance

Oil maintenance: If the mileage for scheduled oil maintenance is not reached, oil maintenance must be performed after 1, 3, 5, 7 ... years at the latest.

Maintenance: If the mileage for scheduled maintenance is not reached, maintenance must be performed after 2, 4, 6, 8 ... years at the latest.

Proper care and maintenance will preserve the value of your Porsche and safeguard its functional capability.

This will also protect your right to make warranty claims.

The terms "inspect" and "check" include all associated work such as checking the condition, adjustments, readjustments, corrections and replenishment.

They do not include the repair, replacement or overhaul of components or assemblies.

Oil maintenance

As per service reminder indicator, at the latest after 10,000 mls or 1 year.

If the mileage for scheduled maintenance is not reached, oil maintenance must be performed after 1 year at the latest.

	911 Carrera	every 10,000 mls/1 year
Drain engine oil	✓	✓
Replace oil filter	✓	✓
Underbody panels: Visual inspection for completeness, secure installation and damage	✓	✓
Visual inspection for leaks from underneath (oils and fluids)	✓	✓
Tires: Check condition	✓	✓
Brake lines: Visual inspection for damage, correct routing and corrosion	✓	✓
Brake hoses: Visual inspection for damage	✓	✓
Fill in engine oil	✓	✓
Reset maintenance interval	✓	✓

Maintenance

At 20,000, 40,000, 60,000, 80,000 mls etc.

If the mileage for scheduled maintenance is not reached, maintenance must be performed every 2 years at the latest.

		911 Carrera	every 20,000 mls/2 years	every 30,000 mls/4 years	every 40,000 mls/4 years	every 60,000 mls/6 years	every 80,000 mls/4 years	every 120,000 mls/12 years	dependent on time
Electrics	Windshield wiper/washer system, headlight cleaning system: check function	✓	✓						
	Horn: check function	✓	✓						
	Tires: check tire pressure (TPMS)	✓	✓						
	Diagnostic system: read out fault memory; reset maintenance interval	✓	✓						
	Check actuator travel of brake shoes	✓	✓						
Inside the vehicle	Particle filter: replace filter element	✓	✓						
	Seat belts: check function and condition	✓			✓				
	Door locks: check function	✓			✓				
Luggage compartment	Check front lid lock and safety hook of the front lid to ensure that they are secure and function properly	✓	✓						
	Replace air intake pre-filter	✓	✓						
	Windshield wiper/washer system: check fluid level; check window cleaner and antifreeze, depending on time of year, only use windshield cleaners approved by Porsche	✓	✓						

		911 Carrera	every 20,000 mls/2 years	every 30,000 mls/4 years	every 40,000 mls/4 years	every 60,000 mls/6 years	every 80,000 mls/4 years	every 120,000 mls/12 years	dependent on time
Outside the vehicle	Check wiper blades	✓	✓
