THE WHOLE WHEEL RIM CUSTOMISED

Particularity

The 3 piece wheel **TRAMONT** enables a **wedge free assembly** with a maximum front and back offset and a perfect mud guard filling. Made in France. Top of the range quality and finishing. Anti-corrosive protection on the outside rim by anodisation (except BI-METAL). Steel valves. 1 year manufacturing defect guarantee. Lead time : 4 -5 weeks.

Technical

All the wheels have to be positionned on the vehicle before mounting the tire. The tire assembly should be done with special tire grease. **Tubless assembly is required. Do not clean the wheels with acid or alkaline products which damage the anti-corrosive protection.**

Exchange - Guarantee

The guarantee shall in no way apply if the wheel has undergone the slightest accident, sidewalk shock, acid or alkaline product cleaning. All equipment return is subject to our prior agreement.
