Here is your once in a lifetime opportunity to own a truly unbelievable one-of-a-kind Porsche 993 Cabriolet (6spd/43K Original miles).

While the wide-body "turbo look" Cabriolet was not a factory offering during the 1995-1998 model run, this vehicle was specially assembled just after original purchase to the highest caliber of workmanship by Brooks Motor Cars in Northern California using all factory Porsche Turbo body parts, thus transforming it into the only 993 wide-body "Turbo Look" Cabriolet of its kind in existence.

It is finished in what is arguably the most stunning color combination (Arctic Silver Exterior / Classic Grey Interior / Black Soft Top), and has further been complimented by a host of both factory and aftermarket upgrades that only add to this 993's unique and amazing character.

Upgrades include:

- Porsche factory ordered and installed hard back Racing Style Leather Seats
- Porsche factory ordered and installed Stainless Steel Exhaust Pipes
- Porsche factory ordered and installed Motor Sound Package
- Porsche factory ordered and installed Aluminum /Leather Shifter/Brake Handle
- Eibach Lowering Springs (dealer installed)
- 19" BBS LM 3 piece road wheels
- European-style clear turn signal lenses
- Xenon Headlamps

Always loved, garaged, and impeccably maintained, this Porsche has a mere 43k original and has never been raced, tracked, or abused.

Dealer service has just been completed, and vehicle will be freshly detailed for its new owner at time of sale.

One of the most highly sought after air-cooled Porsches. This vehicle is in pristine condition and is being sold by its 2nd owner (original owner is a dear friend, so complete vehicle history is known).

This Porsche has been a conversation piece and complimented by automobile enthusiasts for years, and will make an excellent addition to any Porsche aficionado's garage.

Offered at \$59,000

Very special and highly exotic. No disappointments. 480-748-1313
