- yes  no Key light (install new battery)
- yes  no Drive lock system remote transmitter (install new battery for the transmitter)
- yes  no All exterior lights checked for operation
- yes  no All interior lights checked for operation
- yes  no Cigarette lighter
- yes  no Clock (set to correct time)
- yes  no Windshield and rear window wipers (replace all wiper inserts)
- yes  no Windshield and rear window washer system
- yes  no Intensive windshield washer
- yes  no Headlight washers
- yes  no Readout fault memory
- yes  no Horn(s)
- yes  no Warning display lights

### Lights, Switches & Accessories (cont'd) - Yes or No (Check one)

- yes  no Instrument panel dimming
- yes  no Power window switches
- yes  no Radio/cassette/CD/CD changer/antenna
- yes  no Park Assistant
- yes  no Spoiler

### Exterior: Underbody, Body, Doors, Lids & Top - Yes or No (Check one)

- yes  no Axle joints
- yes  no Leaks: engine, transmission, differential, transfer case
- yes  no Gas cap
- yes  no Wheel locks
- yes  no Front/rear lid release actuation
- Door:
  - yes  no hinges
  - yes  no door closing
  - yes  no door locks
  - yes  no check straps
  - yes  no window lifter mechanisms
- yes  no Seat adjusters
- yes  no Sunroof/sliding roof mechanism and locks
- yes  no Cabriolet top operation
- yes  no Targa top operation
- Underbody inspection for damage/corrosion:
  - yes  no exhaust system
  - yes  no brake lines/hoses
  - yes  no fuel lines/hoses
  - yes  no Glass

Does this vehicle have signs of previous collision damage repairs? (Check one) Yes  No

Note: Paint touch-ups for rock chips and parking lot dings are not considered collision damage.

If yes, this vehicle may not be eligible for enrollment in the Porsche Approved Limited Warranty Program. Consult the Policy & Procedure Manual for details.

- yes  no Brake pad wear (if less than 50% remains, replace pads)
 

approximate % of pad remaining  
FR 75% / R 75% / L 70% / R 70%
- yes  no Steering and front suspension system
- yes  no Front shock/strut function
- yes  no Front stabilizer bar bushings
- yes  no Rear axle suspension
- yes  no Rear shocks function
- yes  no Rear stabilizer bar/bushings
- yes  no Road wheels:
 

front size: 7.5 x 18 x 50

rear size: 10 x 18 x 65
- yes  no Tires (brand, size and minimum tread depth):
 

|    |                            |      |
|----|----------------------------|------|
| FR | Continental Sportcontact 2 | 7 mm |
| FR | 235/40ZR18                 | 7 mm |
| FR |                            | 6 mm |
| FR | 235/30ZR18                 | 6 mm |
| FR |                            | 3 mm |
- yes  no Spare: 3
- yes  no Tire pressure

Note: All four tires must be of the same brand, model, speed rating, specification code, and age. If tread depth is less than four (4mm), the tire(s) must be replaced with Porsche-approved tires. Refer to technical bulletins for detailed tire information.

# Pre-Owned Inspection Checklist

## Engine Compartment - Yes or No (Check one)

- yes  no Engine CO/HC
- yes  no Alternator function

## Before the Road Test - Yes or No (Check one)

- yes  no Distributor cap(s) condition
- yes  no Distributor rotor(s) condition
- yes  no Spark plug wires/boots/connectors
- yes  no Air filter element
- yes  no Belts (Check for wear, cracking, proper tension)
- yes  no Power steering belt
- yes  no Poly-rib drive belt
- yes  no Is Engine smoking?
- yes  no Are there any engine oil leaks?
- yes  no Are there any transmission oil leaks?

## The Road Test - Yes or No (Check one)

- yes  no Foot/hand brake efficiency
- yes  no ABS system operation
- yes  no Clutch pedal action
- yes  no Gear change manual and clutch operation
- yes  no Gear change auto/kickdown
- yes  no All instruments/switches
- yes  no Electronic Stability System (PSM, etc.)
- yes  no Adaptive Damping System
- yes  no Navigation System (PCM)
- yes  no Cruise control - all functions
- yes  no Seat belts condition and operation
- yes  no Vehicle handling
- yes  no Steering wheel centered
- yes  no Vehicle performance
- yes  no Heating/fresh air system
- yes  no Rear window/mirror heaters
- yes  no Air conditioning
- yes  no Idling speed
- yes  no Radio reception
- yes  no All wheel drive operation
- yes  no Is there any unusual noise from drivetrain?

Road Tester's Name: Koby  
 Signature: Koby Fetter Date: 8/30/06

## Checked After the Road Test - Yes or No (Check one)

- yes  no Visible leaks of any fluids? If yes, give details...  
minor oil seepage from rear mech seal rear of right valve cover.

- yes  no Engine oil level
- yes  no ATF level
- yes  no Excessive smoke from exhaust?
- yes  no Valve train or other engine noise?

## Inspection and Reconditioning

If any of the Yes/No questions on this Inspection List were answered in a way that would require repair or reconditioning, they must be addressed in this area.

| Repair Order # | Repair Date | Repairs Performed |
|----------------|-------------|-------------------|
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
|                |             |                   |
