

## Short Test

### Bosch Digital Motor Electronics Motronic 7.8.1

No Faults Found

### Porsche Stability Management - PSM

No Faults Found

### All Wheel Drive - PTM

### Porsche Active Suspension Management - PASM

### Tire Pressure Monitor - TPM

### Instrument cluster - 9x7

Current Fault Codes

**C141:**  
Communication PCM (display)

### Vehicle Electrical System

No Faults Found

### Airbag - POSIP

Current Fault Codes

**C141:**  
Communication PCM (display)

### Advanced Weight System - AWS

Current Fault Codes

**8001:**  
Power supply

**C152:**  
Communication PSM control unit (drive)

### Steering Column Electronics

No Faults Found

**Air Conditioning**

Current Fault Codes

-  **8035:**  
Interior sensor fan
-  **C141:**  
Communication PCM (display)
-  **C131:**  
Communication gateway control unit (CAN comfort)

**Cornering Lights**

**Gateway**

Current Fault Codes

-  **C141:**  
Communication PCM (display)

**Porsche Access System - PAS**

No Faults Found

**Front Body Module**

Current Fault Codes

-  **8042:**  
Front luggage compartment unlocking

**Rear Body Module**

No Faults Found

**Left Door Module**

Current Fault Codes

-  **8009:**  
Door h. button, inner sh. stroke

**Right Door Module**

No Faults Found

**Convertible Top**

No Faults Found

**Targa Roof**

**Park Assist**

**Seat Memory**

No Faults Found

**Sports Chronometer**
