Please accept this honorary award and membership to Rennlist... Your official call sign on the forum is **"Medic"** in honor of your heroic service with the US Army during WWII where you saved the lives of many US servicemen and obtained a field commission to the rank of 2nd Lieutenant.

Rennlist began in the early 90's as Porschephiles to support Porsche enthusiasts such as you. Back then it was strictly an email forum providing daily digests and information to its members. Today the forum continues on as Rennlist... an online community of enthusiasts with thousands of members from across the globe covering all forms of Porsche vehicles. Welcome to Rennlist member **"Medic"** and we hope you enjoy the parade of Porsche Carrera 911's we have assembled for your review.

Semper Fi,

USMC_DS1 (your nephew James)
