7000 lb. Extended Height Lift

90"

Extended Height 7000# 4 Post Lift (71-1/2" Underneath) 12 inches longer then standard. Similar to standard model, this lift is powered by 110V power supply (also available in the 220V). This unit offers a full six feet of under platform clearance and accommodates most trucks and SUV's. The construction and design are the same with extra clearance for those taller vehicles. This lift is great for anyone with an "extra" tall ceiling.

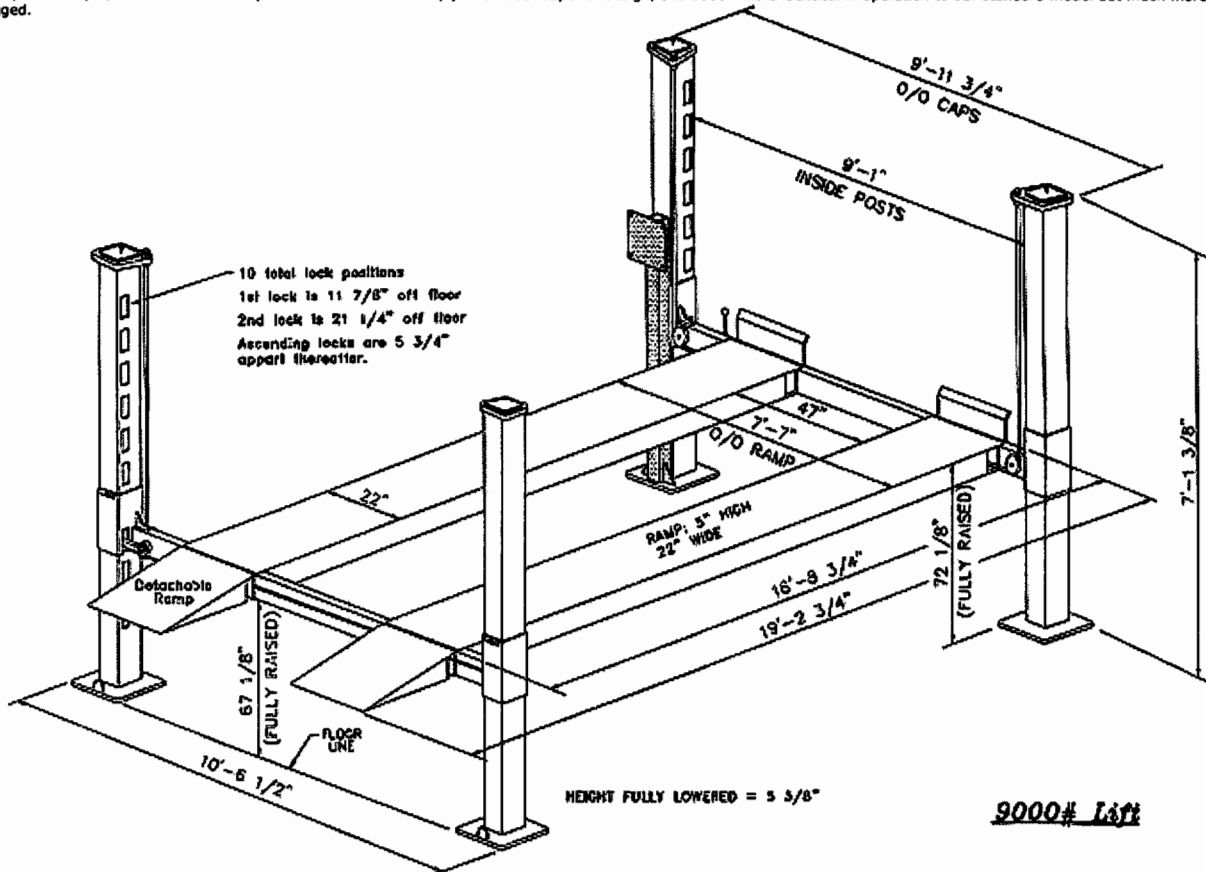

7000# Extended Height Lift

(Dimensions May Change Without Notice Due To Manufacturing Variances)

9000 lb. Lift

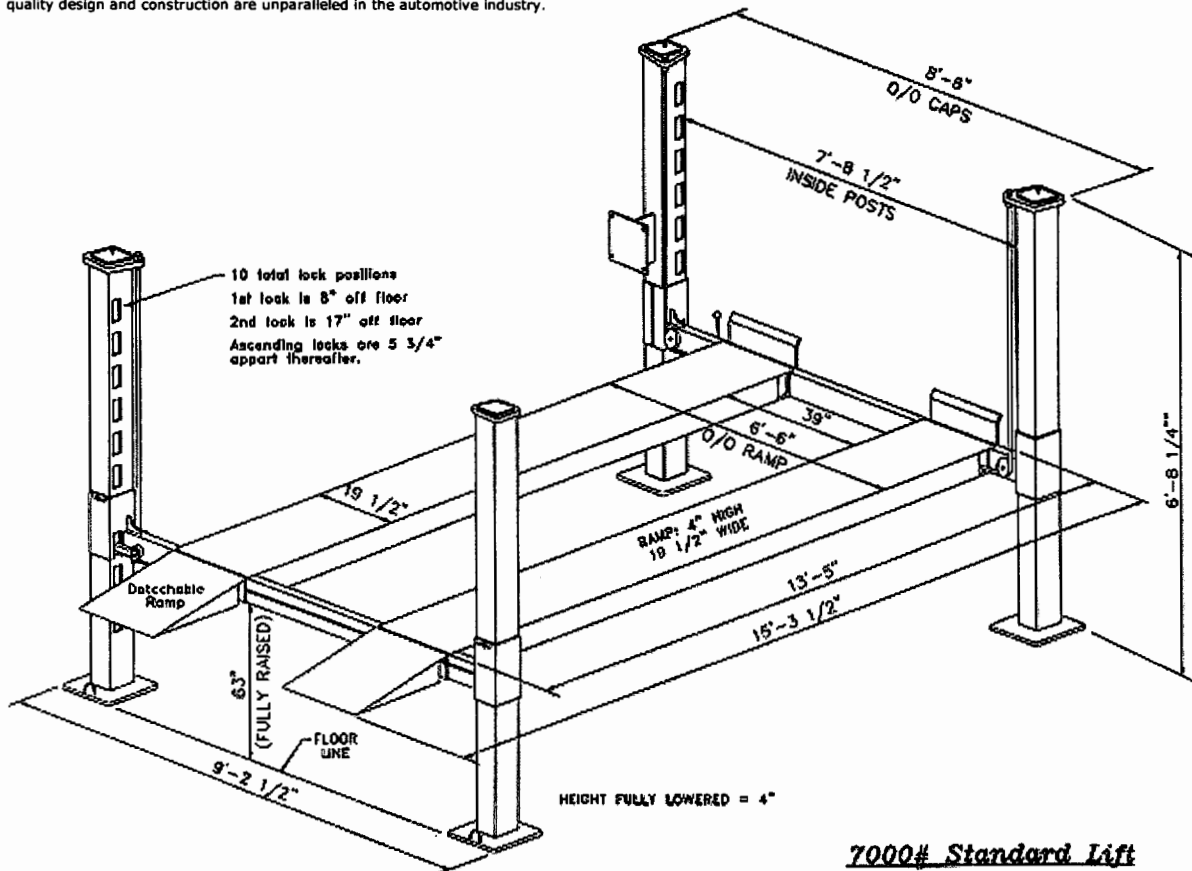

Details

Backyard Buddy 9,000# Four Post Lift (Ideal for Crew Cab Dually) Due to our superior design, this 9000# lift is identical in operation to our standard model but much more rugged.

7,000 lb. Auto Lift

Backyard Buddy Standard 7,000# 4 Post Lift. This top of the line lift is powered by a 110V (or 220V) power supply and is perfect for the residential application. With 63" of platform clearance it offers plenty of room to work on your favorite cars. It also has enough clearance to accommodate almost any two cars for the purpose of storage. It's quality design and construction are unparalleled in the automotive industry.

(Dimensions May Change Without Notice Due To Manufacturing Variances)

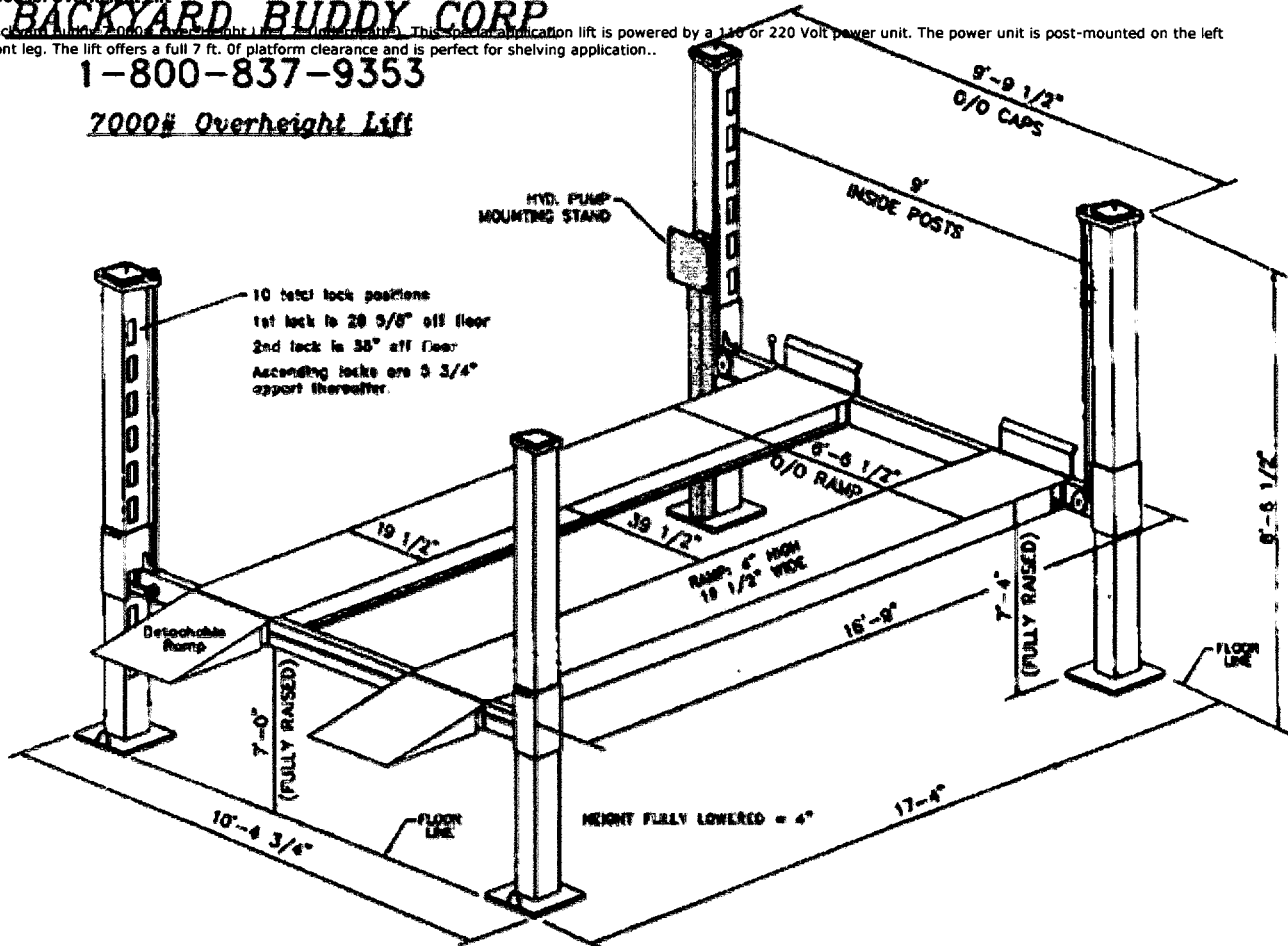

7000 lb. Overheight Lift

BACKYARD BUDDY CORP

Backyard Buddy 7000# Overheight Lift is made in the USA. This overheight lift is powered by a 110 or 220 Volt power unit. The power unit is post-mounted on the left front leg. The lift offers a full 7 ft. of platform clearance and is perfect for shelving application..
