Exclusion of liability for the Porsche Sport Driving School

To the benefit of Dr. Ing. h.c. F. Porsche AG, its directors, employees, staff, representatives and agents (hereinafter referred to as the beneficiaries), the signatory to this form declares the following with respect to participation in events organised by the Porsche Sport Driving School:

1. The signatory (participant) participates in the event at his own risk. He will bear all responsibility under civil and criminal law for any damage caused by him or to the vehicles he uses.
2. The signatory thus declares his agreement that the beneficiaries shall not bear any liability towards him for any personal injury, damage to property or financial loss, subject to the following restrictions: the exclusion of liability shall not apply if the beneficiaries are liable for gross negligence or malicious intent, or in case of injury to life, body or health. Likewise, it shall not apply if statutory compensation claims are asserted under default or impossibility for which the beneficiaries are responsible, nor shall it apply in the event of negligent violation of material contractual obligations (i.e. those obligations whose violation may endanger the purpose of the contract and on compliance of which the contracting party may usually rely); however, in such cases, liability shall be limited to compensation for the typical damages foreseeable at the time the contract was concluded. Claims under product liability law are unaffected.
3. Insofar as exclusion or limitation of liability has been agreed above, the signatory hereby agrees to this not only in his own name, but also on behalf of accompanying persons, helpers, any alternative vehicle owner and all natural or legal persons to which the claims in the event of an incident may pass.
4. Should the persons represented by the signatory not agree to this, he shall indemnify the beneficiaries for all claims that could be made against them under the invalidity of the above liability clauses.
5. The signatory shall indemnify the beneficiaries for all claims by third parties if these are made against the beneficiaries due to damage caused by the signatory.
6. We are aware that some insurers do not provide third-party or comprehensive insurance cover for vehicle damage that occurs during driving events of a competitive nature. This may leave you unable to claim for compensation against the party that has caused the damage or the insurer. We therefore recommend that you check the validity of your third-party accident insurance and, if applicable, your comprehensive insurance coverage with your car insurer. The organiser is unable to provide third-party or comprehensive accident insurance for participants. This clause does not apply to Porsche hire vehicles.
7. This agreement is subject to German law.

Accompanying person: 1 person attending the event, but not taking part actively.

The accompanying person may travel in a participant's car during section training. However, while the participant is completing laps, the accompanying person must travel with the instructor.
