We manufacture in house where we house two 5 Axix Cnc machines, three 3 Axix machine along side our lathe machines.

Our families been in the aerospace manufacture sector for over 45 years, we have ongoing contracts with the D.O.D, U.S. Airforce and U.S. Navy. We apply the same strict tolerance levels when manufacturing our High Performance **Forged wheels** that we apply in our aerospace division.

One of two 5 Axix Cnc machines which cuts of some of our **wheels**.
