980 Hammond Drive, Suite 1000
Atlanta, Georgia 30328

Dr. Ing. h.c. F. Porsche AG is the owner of numerous trademarks, both registered and unregistered, including without limitation the Porsche Crest®, Porsche®, Boxster®, Carrera®, Cayenne®, Cayman®, Panamera®, Speedster®, Spyder®, Tiptronic®, VarioCam®, PCM®, PDK®, 911®, 4S®, 918 Spyder®, FOUR, UNCOMPROMISED.®, and other model names and numbers, and the distinctive shapes of the Porsche automobiles, such as the federally registered 911 and Boxster automobiles. The third-party trademarks contained herein are the properties of their respective owners. Porsche Cars North America, Inc., believes the specifications to be correct at the time of printing. Specifications, performance standards, standard equipment, options, and other elements shown are subject to change without notice. Some options may be unavailable when a car is built. Some vehicles may be shown with non-U.S. equipment. Please ask your dealer for advice concerning the current availability of options and verify the optional equipment that you ordered. Porsche recommends seat-belt usage and observance of traffic laws at all times.

All fuel consumption and emissions data contained herein are derived from U.S. tests and were accurate at time of press.

Porsche Approved Certified Pre-Owned Vehicles

Porsche Approved Certified Pre-Owned Vehicles.

Not just Pre-Owned. Pre-Obsessed.

From the beginning, when Prof. Porsche stood beside his son Ferry to present the first sports car ever to bear the Porsche name, ours has been a family affair. A generation later, history was repeated when Ferry Porsche worked beside his own son to create what became the legendary 911. This deliberate passing down of Porsche engineering DNA from decade to decade, and model to model, helps explain why more than two thirds of all Porsche vehicles ever made are still on the road. In its design and engineering, in its materials and construction,

a Porsche is built to a uniformly high standard of excellence.

With a Porsche Approved Certified Pre-Owned Vehicle, you join our family and help us write the next chapter in this unique story of passion and love for the pure and exceptional driving experience.

It all starts with a visit to your Authorized Porsche dealer. If at first you find it difficult to tell a Certified Pre-Owned Porsche from a brand-new model, that's precisely the idea. In the way it looks and drives, a Porsche

Approved Certified Pre-Owned Vehicle presents the high standard of quality originally engineered into it at the Porsche factory. So let your eyes examine its fit and finish, listen to the sound of its engine, and allow yourself to feel the precision of its performance. A glance at the odometer may be your only clue that someone else once turned the ignition key in this Porsche and heard the greeting of its exhaust note. Of course, there's another sure way to tell a Porsche Approved Certified Pre-Owned Vehicle from a brand-new Porsche: the price.

Porsche Approved

Only a handful of previously owned Porsche vehicles will earn "Porsche Approved" status. Age and mileage are limiting factors, of course, but the range of eligible years and mileage is surprisingly broad—a testament to the reliability and durability of Porsche engineering.

The dealer starts by selecting a Porsche vehicle that has already been maintained to a high standard. Then your Porsche dealer's factory-trained technicians conduct a rigorous inspection

of its mechanical and cosmetic condition. A car can't fall short in any area. It must pass every test included in our comprehensive inspection process. A gap in the maintenance history can be a deal breaker. The seal is finally issued only when the vehicle is reconditioned and prepared to standards established by Porsche.

This is more than just proof of Porsche quality. It is a promise, a comprehensive endorsement of a particular Porsche vehicle's outstanding mechanical and cosmetic condition. And it also

means that any repairs are made using only Genuine Porsche parts. In short, it guarantees that a pre-owned Porsche is 100 percent Porsche. Then we stand behind these special pre-owned Porsches with the Porsche Approved Certified Pre-Owned Limited Warranty.

So go ahead and pursue your dreams. With all that our Porsche Approved Certified Pre-Owned Vehicles have to offer, you could be driving a Porsche of your very own sooner than you think.

Porsche Approved.

A peace-of-mind guarantee.

Driving a Porsche inspires an unparalleled feeling of confidence. That same emotion is behind the most important component of our Certified Pre-Owned program: the Porsche Approved Certified Pre-Owned Limited Warranty.*

Here's how the warranty works: If the qualifying Porsche Approved vehicle is purchased **while still under** the New-Vehicle Limited Warranty, the coverage is up to 6 years, or a cumulative 100,000 miles, from the original in-service date (whichever occurs first). Coverage includes:

1. Repair of defects in material or workmanship, or replacement with a new or remanufactured part.
2. 24-Hour Porsche Roadside Assistance.
3. No deductible for warranty claims.

For vehicles **no longer** under the New-Vehicle Limited Warranty

coverage at the time of used retail delivery, coverage extends until the earlier of:

- 2 years from the date of used retail delivery

or

- Up to 50,000 miles from the mileage at used retail delivery, but not to exceed a cumulative 100,000 total miles on the vehicle

Coverage includes:

1. Repair of defects in material or workmanship, or replacement with a new or remanufactured part.
2. 24-Hour Porsche Roadside Assistance.
3. No deductible for warranty claims.

This limited warranty covers all parts of the following components:

- Engine
- Fuel/cooling systems
- Powertrain/transmission
- Suspension/steering

- Brake system
- Heating/air conditioning
- Electrical systems
- Body
- Comfort electronics

Vehicle eligibility

A vehicle is eligible for the Porsche Approved Certified Pre-Owned Limited Warranty Coverage if:

- The vehicle is a series production Porsche vehicle for the continental U.S. and Canada (exception: Carrera GT).
- The vehicle is less than 8 years old (96 months) from the original in-service date.
- The vehicle's mileage does not exceed 100,000 miles or 160,000 kilometers.
- All manufacturer-recommended scheduled maintenance has been done by an Authorized Porsche dealer.
- All service and recall campaigns issued by Porsche Cars North America are completed prior to delivery to the end customer.
- A vehicle history (CARFAX® or

Boxster and Boxster S

- Experian® Auto Check®) free from negative information about the vehicle
- All identified defects were remedied during the Certified Pre-Owned inspection process and documented on a supporting repair order.

Limitations

This warranty does not cover:

- Emissions control systems and corrosion. (Refer to the Emissions Control and Corrosion Limited Warranties in the New-Vehicle Limited Warranty manual.)
- Batteries damaged from storage, lack of normal vehicle use, or non-Porsche electrical or accessory installation.
- Tires damaged by road hazard. (If you need further assistance, contact your Authorized Porsche dealer.)
- Tires damaged by premature wear.

- Parts that fail due to lack of required maintenance, or use of non-Porsche parts.
- Normal wear and tear or deterioration of any part.
- Cleaning and polishing.
- Contamination of fuels, lubricants, or other fluids.
- Lubricants and fluids, unless part of a warranty repair.
- Air conditioner refrigerant charge, unless part of a warranty repair.
- Glass breakage, chips, and/or scratches that are not due to a defect in material or workmanship.
- Appearance items that are not due to a defect in material or workmanship.
- Any car registered or normally driven outside the United States and Canada.
- The replacement of expendable maintenance items (such as spark plugs, filters, worn wiper blades, worn brakes, worn clutches, worn tires) when the replacement is not due to a defect in material or workmanship.

- The adding of any fluids unless they are needed as part of a warranty repair.
- Any car with an odometer that has been altered so that the actual mileage cannot be determined.
- Vehicles with total loss or salvage titles.
- Modifications not authorized by Porsche.
- Service adjustments (such as idle speed, air/fuel mixture, brake, clutch, headlight, and drive belts).
- Improper prior repairs.
- Abuse, accident, acts of God, competition, racing or track use, or other events beyond the control of Porsche.
- Components and/or parts that failed during racing or driving events (including Porsche-sponsored events).

*This brochure contains only a summary of the terms of the Porsche Approved Certified Pre-Owned Vehicle Limited Warranty. Only the actual warranty terms are binding. Please ask your Authorized Porsche dealer for a copy.

An inspection of more than 100 points.

So there's absolutely zero worry.

The checklist

Porsche has achieved an unrivaled record of success in endurance motor racing. And one of the things you learn through endurance racing is how to inspect the condition of a car for wear and tear. Knowing that a vehicle is in the absolute best possible condition is vital to the driver's peace of mind.

It's the same with our Porsche Approved Certified Pre-Owned Vehicles. Our 111-point criteria

determine the exact condition of the vehicle. From their front headlamps to the rear exhaust, these are Porsche automobiles that have received a thorough, methodical evaluation by Authorized Porsche technicians. Any steps needed to repair or replace a component are based on procedures and policies established by Porsche. Similarly, any interior or exterior cosmetic refurbishing is done to Porsche quality-control standards.

It's all to ensure that you experience exactly what Porsche engineers and designers intended: the pure pleasure of driving a Porsche. Because of this characteristically systematic approach to checking and preparation, you can feel confident in your decision to acquire the Porsche of your dreams through the Porsche Approved Certified Pre-Owned Vehicle program.

Your Porsche Approved Certified Pre-Owned Vehicle also comes with Porsche Roadside Assistance, a program that offers added security when you are traveling. With the purchase or lease of a Porsche Approved Certified Pre-Owned Vehicle, the owner will receive the advantages of Porsche Roadside Assistance for the duration of the Porsche Approved Certified Pre-Owned Limited Warranty.

The benefits and services of Porsche Roadside Assistance are just a phone call away: 1-800-PORSCHE. This is the only number you need to know to receive the services and benefits of Porsche Roadside Assistance, 24 hours a day, 365 days a year, anywhere in the United States or Canada.

The program includes:

- Battery jump start
- Flat-tire service
- Emergency fuel delivery

- Lockout service
- Extraction/winch service
- Trip interruption services
- Onward or homeward journey services
- Collection of vehicle if the driver is indisposed
- Return transport in case of owner illness
- Supplementary services for events during travel

Wanting one has always been the easy part.

Now acquiring one is easier, too.

Somewhere at an Authorized Porsche dealer, perhaps in the service department undergoing its 111-point Porsche Approved inspection, there's the car you've always wanted. The right model, the right year, in just the right color, with just the right equipment. It's our job to help get you together with precisely the perfect Porsche. Here's how:

Online

Our website is a valuable resource that helps you learn about all things Porsche, including where to find the car of your dreams. At [porscheusa.com/cpo](https://www.porscheusa.com/cpo) you can start your search. Whatever model, year, special features, price point, or location you are looking for, we can help you can find a Porsche that meets your requirements. It's quick, easy, and up to date, with all the photos and specifications to help you determine if a particular

pre-owned Porsche fits you like a glove. The majority will feature the Porsche Approved seal. Should your choice not be available, you have the alternative option of submitting a request via the Porsche Pre-Owned Vehicle locator.

Porsche Financial Services Preferred Lease

The Porsche Preferred Lease provides flexible, attractive terms and reasonable monthly payments on new and pre-owned (up to five model-years old) Porsche models. With preset lease-end residual values, reasonable monthly payments, and minimal initial cash requirements, the Porsche Preferred Lease can be an attractive alternative to a cash purchase or traditional financing.

Retail Financing

Own the Porsche of your dreams with Porsche Retail Financing. Choose from a menu of finance terms to spread out the cost of your vehicle. Standard financing is also available on pre-owned Porsche models up to 10 model-years old. Porsche Classic Retail Financing is available for Porsche models over 10 model-years old. See your Authorized Porsche dealer for details.

Cayenne Turbo

Frequently asked questions

Where can I buy Porsche Approved Pre-Owned Vehicles?

Porsche Approved Certified Pre-Owned Vehicles are available from participating Authorized Porsche dealers in the U.S.

Why should I buy a pre-owned Porsche from a Porsche dealer?

Nobody knows these cars better! Each vehicle is given a 111-point inspection by a trained Porsche technician and is backed by a limited warranty, Roadside Assistance, and attractive financing. Porsche Approved Certified Pre-Owned Vehicles are only available from an Authorized Porsche dealer. For peace of mind at a price that might surprise you, see your Authorized Porsche dealer or visit porscheusa.com/cpo to search for your vehicle.

Are all pre-owned Porsche vehicles suitable for the Porsche Approved Certified Pre-Owned program?

Vehicles eligible for inclusion may be current model-year up to no older than 8 years old from the original in-service date with less than 100,000 accumulated miles or 160,000 kilometers. In addition, the vehicle must pass a stringent 111-point inspection conducted by one of our Authorized Porsche dealers.

Who carries out the inspections?

The inspections are carried out only by trained Porsche technicians at Authorized Porsche dealers.

What does the Porsche Approved Certified Pre-Owned Limited Warranty cover?

The Porsche Approved Certified Pre-Owned Limited Warranty covers all parts in the following components and assemblies:

- Engine
- Fuel/cooling system
- Powertrain/transmission
- Suspension/steering
- Brake system
- Heating/air conditioning
- Electrical systems
- Body
- Comfort electronics

Where can I learn more about Porsche Approved?

At your Authorized Porsche dealer, or visit porscheusa.com/cpo.

How long is the warranty valid?

If the qualifying Porsche Approved vehicle is purchased while still under the New-Vehicle Limited Warranty, the maximum coverage is up to 6 years/100,000 miles/160,000 kilometers, cumulative from the date the car was first delivered to the first retail purchaser, or the date it was first used as a demonstrator, lease, or company car, whichever came first.

If the qualifying Porsche Approved vehicle purchased is outside the new-vehicle warranty, the maximum coverage is 2 years from the date of used retail delivery. Or up to 50,000 miles from the mileage at used retail delivery, but not to exceed a cumulative 100,000 total miles on the vehicle.

Can I transfer the warranty?

Should you wish to sell your Porsche, you will also benefit from the Porsche Pre-Owned Limited Warranty. The remaining warranty can be transferred to the new owner.
