

Work Log

Short Test

Siemens Digital Motor Electronics SDI4

No Faults Found

Tiptronic Transmission

No Faults Found

Instrument Cluster for Cayenne

Current Fault Codes

1299:

Gateway - No signal/communication, test conditions are not-completed, fault is not currently active and is not causing a DTC light

459:

PCM2 - No signal/communication, test conditions are not-completed, fault is not currently active and is not causing a DTC light

Porsche Stability Management (PSM/ABS8)

Porsche Keyless Entry Security System (KESSY)

Airbag

No Faults Found

Air Conditioning

Current Fault Codes

Gateway

No Faults Found

Vehicle Electrical System

Current Fault Codes

1117:

Load signal generator terminal DF - Implausible signal, test conditions are not-completed, fault is not currently active and is not causing a DTC light

Steering wheel electronics

No Faults Found

Windshield wiper

No Faults Found

Tire Pressure Monitor (TPM)

No Faults Found

Passenger Seat Weight Sensor (AWS)

No Faults Found

Automatic Tailgate

No Faults Found

Doors and Rear Hatch

Mag Field Sensor / Compass

Transfer Case

Current Fault Codes

Transverse Lock

No Faults Found

Level Control

Current Fault Codes

 1598:
Above/below terminal 30 voltage
Value below lower limit value

 1398:
Doors/rear lead signal
No signal/communication

 778:
Steering-angle sensor

Xenon Headlight Left

Current Fault Codes

 778:
Steering-angle sensor
Implausible signal

Xenon Headlight Right

Current Fault Codes

 778:
Steering-angle sensor
Implausible signal

Off Road Stabilizer Rollbar (ORS)

Panorama Roof

Park Assist

No Faults Found

Seat Memory Driver

No Faults Found

Seat Memory Passenger

No Faults Found

Tow Bar

No Faults Found

Auxiliary Heater

Vehicle Electrical System
