

PORSCHE

Date
31 May 2024

A Porsche as individual as you are.

Dear Porsche Enthusiast,

Thank you for choosing our Car Configurator and building the Porsche of your dreams.

Your personal configuration has a detailed summary of your preferred specifications and is non-committal. If you would like to go ahead with your individual specifications, our sales team at the nearest Porsche Centre will be more than happy to assist you in the process and can also provide you with detailed information about availability, financing, leasing, insurance, accessories and more.

Alternatively, you can save your configuration and send it directly to your preferred Porsche Centre via our website and a sales representative will contact you.

We look forward to hearing from you soon.

Best regards,

Your Porsche Team

PORSCHE

Porsche Cayenne GTS Coupé

PORSCHE

Important Information

Although this image is intended to reflect your actual vehicle configuration, there may be some variation between this picture and the actual vehicle. Some items shown are European specifications.

PORSCHE

Technical data

8-speed automatic gearbox

PORSCHE

Standard options

Lettering and decals

- 'GTS' decorative side logo in Black
 - Model designation in Black (matt)
 - 'Cayenne GTS' model designation on tailgate in Black (matt)
-

Wheels

- 53.34 cms (21) RS Spyder Design wheels in Anthracite Grey
- Set of one-piece alloy wheels in RS Spyder design.

Front axle: 9.5Jx21 ET46 with tyres 285/45 ZR21 (113Y) XL

Rear axle: 11.0Jx21 ET49 with tyres 315/40 ZR21 (115Y) XL

Includes wheel covers with full-colour Porsche Crest

Wheel Accessories

- Anti-theft wheel bolts
- Anti-theft protection set comprising four coded wheel bolts (one per wheel) and one adapter. The wheel bolts have a screw head with a specially shaped internal profile and can only be loosened with the supplied adapter.
- 50.80 cms (20) collapsible spare wheel
- Stows beneath loadspace floor and comes with jack and collapsible wheel chocks and electric air compressor.
- Tyre Pressure Monitoring System (TPM)
 - Wheel centre set with full-colour Porsche Crest
-

Tires

- Summer tyres for 53.34 cms (21) wheels

PORSCHE

Standard options (continued)

Seats

- GTS sports seats front with integrated headrests (8-way, electric) and seat centre in Race-Text
GTS sports seats front with integrated headrests (8-way, electric) and seat centre in Race-Text.
- Front and outer rear seat centres in Race-Text with embossing in Diamar and integrated headrests including "GTS" logo front
- Front and outer rear shoulder rest of backrest in Race-Text
- Sporty seats with a unique seam pattern on the seat centres and elevated side bolsters at the front.

Electric adjustment of:

- seat height
- seat angle
- backrest angle
- fore/aft adjustment

Storage net on the back of the driver and front passenger seats

Note: If leather or club leather interior is selected, the Race-Text items and the model designation on the headrests are omitted

- Sports rear seat system
Sports rear seat system with two seats, two-way headrests, manual backrest angle adjustment, split-folding backrests (40/20/40), central storage tray and fold-out centre armrest with two cupholders
- Seat heating (front)
Separately controlled, front left and right. Three-stage control.
The seat heating balance between the seat squab and the backrest can be adjusted via PCM
- ISOFIX fastening system, rear
Mounting points on outer rear seats for ISOFIX child seat mounting system

Equipment Packages

- Equipment "base"
- Equipment "S"
- GTS - version

Exterior packages

- SportDesign package
SportDesign package includes the following:
 - distinctive SportDesign front apron, finished in exterior colour with front apron panel in Black (high-gloss)
 - distinctive SportDesign side skirts, finished in Black (high-gloss)
 - Door side trim finished in Black (high gloss)
 - marked arch extensions, finished in Black (high-gloss)
 - distinctive SportDesign rear apron with diffusor finished in Black (high-gloss)

PORSCHE

Standard options (continued)

Exterior design

- SportDesign Sideskirts in Black (high gloss)
 - Bumper
 - Exterior Mirror Lower Trims painted in Exterior Colour including Mirror Base painted in Black (high-gloss)
 - Exterior package Black (high-gloss)
 - Side window trims in Black (high-gloss)
 - Door handles painted in exterior colour
 - Wheel arch extension in Black (high-gloss)
 - Roof spoiler in exterior colour
 - Body shape Coupé
 - Wider bodyshell in the rear
 - Pedestrian safety
-

Roof and transport systems

- Preparation for towbar system
 - Preparation for future installation of the electrically extending towbar system
-

Powertrain & Performance

- 4,0-litre twin-turbo V8 engine
 - maximum power output 368 kW (500 PS), maximum torque 660 Nm
- 8-speed automatic gearbox
 - 8-speed Tiptronic S transmission with Auto Start-Stop and manual coasting function
- Adaptive air suspension with levelling system and height adjustment incl. Porsche Active Suspension Management (PASM) and lowering of 10 mm
 - Adaptive air suspension with
 - fully load-bearing air-spring struts (two-chamber two-valve technology)
 - self-levelling function
 - electronically controlled damping system Porsche Active Suspension Management (PASM) with continuous regulation of damping force and three manually selectable modes incl. sportier GTS PASM setup
 - Drop frame function
- Porsche Torque Vectoring Plus (PTV Plus)
 - Variable drive torque distribution at the rear wheels including electronically controlled rear differential lock for optimised traction and steering precision

Only in conjunction with Adaptive Air Suspension incl. Porsche Active Suspension Management (PASM)

PORSCHE

Standard options (continued)

- Sport Chrono Package
 - Analogue and digital stopwatch
 - Sport Plus mode with performance-oriented settings for engine, transmission and chassis.
 - Sport Response button with performance-oriented settings for engine and transmission at the touch of a button
 - Activation of the Launch Control in Sport Plus mode
 - Expansion of Porsche Stability Management (PSM) by a Sport mode
 - Integrated Sport Chrono tile with recording of lap times and telemetry data. Adding tracks as well as the analysis of sectors and laps
 - integrated performance tile to visualize Porsche driving dynamics in real time
 - Cayenne E-Hybrid models with additional E-Power and Hybrid-Auto modes
- Sports exhaust system including sports tailpipes in Dark Bronze
Features modified main silencer including specially designed sports tailpipes in high-gloss with finish in Dark Bronze

Note: the sporty sound is activated by PCM

- Power steering Plus
Speed-sensitive power steering. Reduces the steering effort when manoeuvring and at lower speeds
- Brake system with brake calipers in Red
 - 6-piston aluminium monobloc fixed calliper brakes at front, internally vented brake discs
 - 4-piston aluminium monobloc fixed-calliper brakes at rear, internally vented brake discs
 - Brake discs with diameter at front 410 mm, 365 mm at rear, internally vented
- 90-litre fuel tank
- Suspension standard

Lights & Vision

- Tinted HD-Matrix LED Headlights
Tinted high resolution matrix headlights with new pixel LED technology and a total of more than 32,000 pixel. Refined four-point daytime running lights in Black (high-gloss) and trim with "Diamar"-surface structure in Black (high-gloss).

Same function and geometry as HD-Matrix LED Headlights (order no. 81U)

- Tinted LED taillights including light strip
Tinted LED taillights and light strip with 'PORSCHE' lettering painted in Schwarz

Differentiated look includes:

- Light arc without any red
- Lateral gills with specific design
- Specific coming-/leaving home function

Function and geometry as the standard specification.

- Automatically dimming interior and exterior mirrors
Rimless rear-view mirror
- Exterior mirrors
Electrically adjustable and heatable electrically folding exterior mirrors (also via remote key), aspherical on driver's side, including ambient lighting
- Panoramic Roof, fixed
Panoramic Roof, fixed incl. electrically operated roller blind

PORSCHE

Standard options (continued)

Interior packages & decors/materials

- Interior trim in black brushed aluminum
Items in black brushed aluminum:
 - dashboard trim strips with decorative inlays
 - front and rear door panel trim strips with decorative inlays
- Accent Package Black
Finished in Black:
 - door handle and accent trim in door panels
 - accent door panel trim strip front and rear
 - accent dashboard trim strip
 - decorative trim on steering wheel
 - decorative trim for handles in center console and door panel front and rear
 - selected interior items

In combination with the interior packages Diamar painted in Silvershade, Deep Brushed Aluminium, Eucalyptus wood, Leather in interior colour the accent door panel trim strip front and rear and the accent dashboard trim strip are finished in Silver.

In combination with the Matt carbon fiber neodyme Interior Package the accent door panel trim strip front and rear and the accent dashboard trim strip are finished in Neodyme.

Seatbelts & Seat Design

- Seat belts black
 - Headrests with stitched 'GTS' logo front
-

Steering wheel, gearshift/selector lever

- GT sports steering wheel with rim in Race-Tex, steering wheel heating and Mode-switch
For operation of audio and communication functions and on-board computer.
 - Steering wheel diameter: 360 mm
 - In Black Race-Tex: steering wheel rim.
 - Twelve o'clock mark in Black
 - Mode switch to select the driving modes Offroad, Normal and Sport.
 - Predefined drive modes can be individually adjusted in various sporty vehicle settings such as chassis level (note: setting options depend on equipment)
 - Steering wheel with manual fore/aft and height adjustment
 - Gear selector in leather
-

Interior design

- Compass instrument dial/Sport Chrono stopwatch instrument dial black
- Roof lining in Race-Tex
Roof lining, A-pillar trim, B-pillar cover (upper section), C-pillar and sun visors in Race-Tex

PORSCHE

Standard options (continued)

- Pedal pads in stainless steel
 - Door sill guards front and rear in aluminium in Black with model logo
Front and rear door sill guards in Aluminium in Black with model logo at front and 'Cayenne' model logo on rear
 - Sun visors for driver and front passenger
 - Fixed luggage compartment cover
 - Floor mats
For single-tone interiors in matching interior colour, for two-tone interiors in the darker interior colour, with 'PORSCHE' logo
 - Three-Point automatic seat belts with reversible seat belt pretensioner
-

Assistance systems

- Self-Steering Park Assist
When activated and at the correct speed, the vehicle is able to detect suitable parking spaces by measuring the space while driving past and then automatically taking control of the steering in parallel and perpendicular parking spaces.

The driver remains in the vehicle and is responsible for the parking manoeuvre as well as for acceleration, braking and changing gears.

Note: In conjunction with ParkAssist front and rear or reversing camera (KA2) or Reversing camera incl. Surround View (KA6) available

- ParkAssist (front and rear) with visual and audible warning
Parking aid with ultrasonic sensors integrated into front and rear aprons. Audible notifications of the distance to an object located to the front and rear of the vehicle.
- ParkAssist incl. Surround View
As ParkAssist (front and rear) including reversing camera, but also featuring a 360-degree surround view generated from the images of four high-resolution cameras enabling even greater comfort when manoeuvring.

A junction view (from front and rear of vehicle) provides assistance at more complex exits.

Images are displayed on the screen of Porsche Communication Management (PCM)

PORSCHE

Standard options (continued)

- Surround View with Active Parking Support
 - 3D Surround View

The 3D display allows the driver to influence the perspective displayed, resulting in a better all-round view.

Images are displayed on the screen of Porsche Communication Management (PCM)

- Active Parking Assistance

The system automatically detects parking spaces and measures their size. Once the system has signalled that the parking space is a sufficient size, the driver can initiate and control the parking process. The system automatically takes over the steering and the forward and backward movement of the vehicle. The Active Parking Assistance is able to park the vehicle in parallel and perpendicular parking spaces.

- Manoeuvring Assist

The Manoeuvring Assist can, where system limitations allow, prevent collisions through braking in tight and complex manoeuvring situations when reversing.

- Trailer Manoeuvring Support

The Trailer Manoeuvring Support helps the driver when reversing with a trailer.

Note: the functions described support the driver where system limitations allow. The driver must monitor driving style at all times and intervene in cases of doubt

- Active Speed Limit Assist
 - Cruise control
 - Active Speed Limit Assist

Comfort & everyday usability

- Automatic tailgate with gesture control
- Porsche Entry
 - Access to the car and locking without active use of the key, including contactless opening and closing of the rear hatch by foot gesture.

Note: The Comfort Access uses state of the art technology. However, it cannot be completely ruled out that the key's wireless encryption code is intercepted and used to open or steal the vehicle

Note: In conjunction with the Sports exhaust system with central tailpipes, the Lightweight Sport Packages or the Carbon Design Package, the contactless opening and closing of the rear hatch by foot gesture is not available.

- Soft-close doors
 - Door locks with integral soft-close system for comfortable closing of all four doors
- Four-zone automatic climate control
 - Controllable from the front and rear seats. Separate temperature, fan speed and air distribution settings possible for rear left and right.

Includes additional air outlets in each B-pillar for rear seats.

An active carbon fine dust filter traps particles, pollen and odours and thoroughly filters fine dust out of the outside air before it can reach the interior

PORSCHE

Standard options (continued)

- Air Quality System
Ionizer with fine dust sensor incl. visualization in the center display and auto recirculation.
The ionizer improves the air quality in the air flow. To achieve this, the air from the automatic climate control system is passed through an ionizer before it flows into the vehicle interior. This reduces germs and other pollutants in the air.
This improves the air quality inside the vehicle, which can noticeably increase well-being.
The fine dust sensor measures the level of fine dust in the ambient air drawn in and in the vehicle interior. If a limit value is exceeded, the air conditioning system switches to recirculated air. The multiple flow through the fine dust filter in recirculation mode results in an effective reduction of fine dust in the passenger compartment
- Particle/pollen filter with active carbon filter
- Driver Memory Package
Memory function for driver's seat and exterior mirror positions
- Ambient lighting
A choice of seven colored light schemes for the ambient lighting in:
 - front and rear door panels
 - door compartments
 - the front and rear footwell
 - including illumination of the front cupholder

- Additionally: 12-volt socket in the rear centre console
- Electric roll-up sunblind for rear side windows
Protects against direct sunlight through the rear door side windows.
Also operable from the driver's seat
- Alarm system with interior surveillance
Alarm system with interior surveillance, Immobiliser and remote central locking
- Non-smoking package
- Side Airbags (front and rear)
 - Front side airbags integrated into seat
 - Curtain airbags along entire roof frame and side glazing from the A-pillar to the C-pillar
 - Side airbags in the rear outer seat backrests
- Airbags
 - Full-size airbags for driver and front passenger
 - Front passenger airbag deactivation function for mounting child seat on front seat
 - Knee airbags for driver and front passenger

Infotainment

- Navigation High
- Smartphone compartment with wireless charging (up to 15W)
Smartphone compartment in centre console with wireless charging up to 15W
- Voice Control
- BOSE® Surround Sound System
BOSE® Surround Sound System with 14 loudspeakers including subwoofer, 14 amplifier channels and a total output of 710 watts. BOSE® Centerpoint 2 Technology enables the system to play stereo recordings in a virtual surround mode. AudioPilot Noise Compensation Technology ensures a consistent and well-balanced sound in all driving conditions. BOSE® SoundTrue enhancement technology delivers improved audio quality and dynamics for compressed file formats such as MP3

Note: reduced luggage compartment volume due to subwoofer underneath the luggage compartment floor

PORSCHE

Standard options (continued)

- Smartphone integration

Connect your smartphone to your Porsche and get some of your apps directly on the Porsche Communication Management (PCM) screen. Both Apple CarPlay® and Android Auto™ are supported. Voice recognition lets you use apps conveniently while driving, minimising distractions and allowing you to concentrate fully on the road.

Note: Apple CarPlay requires a compatible iPhone®. The approval of Apple CarPlay in individual countries as well as the approval of apps for Apple CarPlay is controlled exclusively by Apple®.

The approval of Android Auto in individual countries as well as the approval of apps for Android Auto is controlled exclusively by Google®.

The following mobile devices are compatible with the software used in the vehicle can be used without restrictions:

- Apple: iPhone 7 and higher starting iOS 14.1
- Android™ mobile devices with active Google Play services such as Samsung Galaxy S10, Huawei P30, Google Pixel 4, Google Pixel 4XL (Android version 10).

Other devices may be compatible. Users of Android™ devices with Android 9 and lower can download Android Auto from the Google Play Store. For users with devices running Android 10 and above, Android Auto is pre-installed.

- USB-C fast charging function

- 2 USB-C Power Delivery connectivity and fast charging ports in the front storage compartment
- 2 USB-C Power Delivery fast charging ports in the rear centre console

(A suitable charging cable and a fast charging mobile device are required for the fast charging function. The actual charging power taken by the connected device may vary.)

Charging & Range

- Fuel cover

Steering Codes

- Steering Code - Engine cooling system

Others

- First Aid Kit with warning triangle
- TPM Valve in Black
