2 methods of payment: \$350/per car before 9/25 (\$425 after 9/25)

(No refunds will be issued as this is a rain or shine event). First come first serve basis as limited registrations are available to prevent over registered vehicles for event.

1) CREDIT CARD – If paying by credit card, please **CALL** or **TEXT** the track (**Victoria**) directly **(917) 615-5355** and register for the **“OctoberFAST 10/9 Private Track Rental”**

***NOTES:** The price is \$350/per car flat rate with no other charges (register before 9/25 or \$425 after 9/25). If people want to camp out at the track the night before, NYST offers the option at \$20 for the night. No admission fees for passengers and spectators (invitees only please). All drivers and passengers **MUST** have helmets). Short pants/shirts are permitted.

*Each track session will be approximately 20 minutes and each session will consist of 15-17 cars per session depending on final car registrations. Time of Vehicle Inspection is at 7am sharp with Mandatory Drivers Briefing/Track Tour to begin at 8am, so **DO NOT arrive late** to circuit. We will separate groups based on 1) Vehicle HP or 2) Drivers into two categories "Novice" & "Experience". This will enable a smoother and safer track flow during the sessions. This will be determined once we received majority of the registrations at a later time. **On track passes for all groups are ONLY permitted based on "Point Bys" or "Signal Bys"**

***TRACK RUNNING HOURS:** 9-5pm (12-1pm lunch break) It is Rain or Shine! **CONVERTIBLES** are **PERMITTED**, **PASSENGERS** are **PERMITTED**, **HELMETS** are **MANDATORY** for both drivers and passengers

*We are working with NYST on a **LIVE TIMING** system to be able to capture lap times for all the participants which would be displayed at the pits and paddock area throughout the course of the event. Once this is confirmed, a formal announcement will be shared on [Facebook page](#) (available to invitees only).

***GAS** is not available at track (closest gas station is 4 miles away) Note: Otis Dimiters of LiMSport will have gas for sale on track. (Reserve your purchase in advance otis@limsport.com)

*Track **WILL** have food/drinks available for purchase for both breakfast and lunch.

*Please try to keep this event within the invited group here or by referrals **ONLY** as we don't want too many unknown people/spectators registering not knowing who they are and who they know.

*It is suggested that you to consider going up the day before to give yourself and your car plenty of rest prior to the outing on Sunday 10/9 (Monday is Columbus Day).
