

What: Drive your Porsche in the July 4th Parade
When: 4th of July, 2012 @11 am
Where: Moorestown, NJ

Come and celebrate 4th of July and Porsche in Moorestown, NJ, established 1682, named best place to live in 2005 (close to Cherry Hill, around route 38 and 295).

Following the revival of Moorestown 4th of July parade, we are looking for **Porsche of all ages** to participate in the parade. Last year, MINI was the featured marque. **This year, the Parade committee is inviting Porsche owners to drive down Main Street (slowly), along with the marching bands and fire trucks!**

Come and show off your American pride, and your Porsche, on our beautiful historical Main Street on July 4th. The parade starts at noon, assembly time is ~11am.

Please RSVP to Florent Moise, moisef@yahoo.com (Schattenbaum PCA member) to coordinate the group and arrange logistics.

Casual picnic to follow for those interested.
