Porsche Cars North America has partnered with Delta Air Lines to offer a special discount and flight incentive for all Porsche European Delivery customers. Customers now have access to the Delta One (Business Class) cabin through select cities at the following flat-fare rates. All fares are based on availability of ticket class.

Departure City: Atlanta (ATL), Detroit (DTW), Washington, D.C. (IAD), Los Angeles (LAX), San Francisco (SFO), Miami (MIA), New York City (JFK), Chicago (ORD)

Arrival City: Frankfurt (FRA), Stuttgart (STR), Berlin (TXL), Munich (MUC), Hanover (HAJ)

- \$3500 (plus tax and fees ~ \$1,100) booked in fare class "I"
- \$2900 (plus tax and fees ~ \$1,100) booked in fare class "Z"

Discounted travel is also available to/from other U.S. cities should your travel require a connecting flight to/from one of the flat-fare cities. If neither ticket class is available at the time of booking, guests are still eligible to receive a discount of up to 25% off the available fare class.

Discount fares are available ONLY to Porsche European Delivery customers and their travel companions. There is no limit to the number of tickets that can be purchased, however all guests must be flying on the same itinerary. Fares are not redeemable using Delta Skymiles or through any other travel reward program.
