Great Racing -

Last year, Historic Sports car Racing, Ltd. (HSR) presented the inaugural "Classic 24 Hours at Daytona." It was a resounding success with some of the best racing seen in years by many of the world's most famous and historic race cars and drivers. Vintage and historic sports cars from 21 countries raced around the clock on the high banks of Daytona International Speedway. Racers included rarely seen cars like Porsche 956's, 962's, Ford GT40's, Ferrari Daytona's and more. Car Corrals -

For the 2015 Classic 24 Hour we will again have Car Corrals. This year they will be trackside along the fence between the East Hairpin and where PCA has the Car Corral at the Rolex 24 Hour. Nearby bleachers overlooking the East Hairpin offer great viewing of the races.

- 2-Day Weekend admission tickets are \$45.
- Registered car club members will receive a special code for complimentary parking from their club. Normal Infield parking is \$15. Clubs must register with us first. You then use this code for discount.

The first 30 car owners to register (on-site) will get a behind-the-scenes paddock/garage tour conducted by HSR General Manager James Redman, who is the son of legendary sports car champion and 3 time Daytona 24 Hour winner, Brian Redman. It will include a tour of race control, timing and scoring, tech etc.... It will also include a visit to victory circle, driver's area/suite in the 500 club with a talk about Daytona and Rolex 24 history, special cars, how HSR runs a race weekend of this magnitude and maybe meet a star driver.
