A moment long awaited shouldn't be short lived.

There's no truer instance of dream becoming reality than the day you take delivery of your new Porsche. When you receive the keys, you become much more than an owner. You become part of the Porsche family. To further heighten this special moment, we've developed the New Vehicle Delivery Program at the Porsche Experience Center, Atlanta. A thrilling immersion, both on and off the track, that will make the day you've always dreamed of one you'll never forget.

The New Vehicle Delivery Program

Through the New Vehicle Delivery Program, you and a guest will spend half a day at the Porsche Experience Center, Atlanta discovering the power, responsiveness and thrill at the core of Porsche.

Your experience will begin with a guided tour of the Porsche Heritage Center, which plays home to historic vehicles from the Porsche Museum and significant private collections from around the world. Once immersed in the rich history of the brand, you will officially become part of it by taking delivery of your brand new Porsche. A thorough overview of its features will be given to ready you for the lifetime of thrills and memories that await.

The introduction will be followed by 90 minutes on the 1.6-mile Driver Development Track in a car comparable to your own.* Once there, certified Porsche Drive Coaches will help hone your driving skills with personalized guidance that can later be applied when behind the wheel of your own Porsche.

Off the track, you and a guest will be treated to a complimentary lunch at our on-site fine dining facility—Restaurant 356. There, reflect on the unforgettable day with stunning views of the track, and enjoy a thoughtfully constructed menu composed of local, organic fare.

An all-encompassing journey and unforgettable onset to the ownership of your new Porsche vehicle.

*A total of 90 minutes drive time will be given to the owner of the vehicle. This time may be split between the guests over the age of 18.

When what could be becomes what is.

You've long imagined this day. Ensure you never forget it. If you would like more information on how to experience your new Porsche like never before and become completely immersed in the brand, visit your authorized Porsche dealer. Reservations for the New Vehicle Delivery Program are limited and subject to availability.
