

Join us on September 7 - 9 at the Northeast's newest track.

Located just northeast of Lake Winnepesaukee on Route 25 in Tamworth, Club Motorsports is less than 30 minutes from some of the best hotels and restaurants in North Conway and Meredith.

This year our three-day event lands just after Labor Day and before the leaf peepers invade so there will be plenty of rooms available.

2.5 miles in length with a 40 ft wide surface, 15 turns, undulating 250 ft elevation changes, this track provides a thrilling driving experience as well scenic views of Mt Chocorua and the White Mountains.

Friday is an advanced day for Red, Black and White run groups (expect two and one-half hours of track time). Ellen Beck, from PCA National will also conduct the National Instructor DE Training Program on Friday.

On Saturday there will be a paddock party and track walk after 5 PM. Bring your cameras for some great photo opportunities.
