

**PORSCHE CLUB OF AMERICA**  
**INSTRUCTOR ADVANCED TRAINING PROGRAM-Part 2 (2011)**  
Mid-Ohio- Presented by MORPCA and the Mid-Ohio School.

**Introduction:**

This is an advanced program for Instructors only. This program is taught by Mid-Ohio School professional coaches and selected PCA instructors.

Part one of the advanced instructor training program in 2010 was a success. Participants navigated one full day of track time beginning with lead follow session with Mid-Ohio School Coaches and alternating between classroom instruction and corner observation. This program focuses on three specific areas: 1) Refining your line at Mid-Ohio; 2) Improving your driving skill and the ability to teach the skill; 3) Provide class room sessions help the instructor coach the advanced driver.

**Program changes and extensions for 2011:**

2011 will be a continuation of the program. Only a few of the 2010 program will be briefly reviewed. For example in 2010 we had all 3 groups do 2 sessions of lead follow. This year only one on track session will be lead follow, working the line will be fine tuned in the afternoon. The second morning session will be a corner drill. Drivers will be taken to a safe location of the track and in a control drill put the car into a drift and throttle steer the car and other advanced techniques.

The Program will start on Thursday afternoon with the in class sessions and a working dinner. See the program outline below.

**Event Date:**

Thursday August 18<sup>th</sup> 2:30pm, Friday August 19<sup>th</sup> (instructors only) with a two day DE to follow on the 20 and 21<sup>st</sup> to make it a weekend. The cost of the two day program is \$230.00. this includes Dinner on Thursday night and Lunch on Friday. Enrollment for the program is on line through the Mid-Ohio School web under; Mid-Ohio School/courses/special events/PCA training program.
