I am pleased to advise you that the use of Tariff Item 9993.00.00.00 is being extended to you for this event. Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Customs office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

**I recommend that any event participants who may be coming to this event from outside of Canada and be bringing in goods, be provided with a copy of this letter for presentation to Canada Customs Officials at time of entry into Canada.** This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada.

I note that while you have not appointed a Customs Broker, you have posted **Bond # M100232191** for use by your participants, as necessary.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,
