

Kansas City Region – Porsche Club of America

Fall Fast 2012

The Kansas City Region-PCA will be holding a Driver Education event October 12-14, 2012 at Heartland Park Topeka, the Midwest’s premier road course. All makes and models are encouraged to attend, not just Porsches. As always the event provides plenty of track time. Classroom instruction, driving exercises, and in car tuition is included for Novices and “Taste of the Track” (non driving) participants, and anyone else interested in learning more. Friday October 12th will be an open track day for Instructors and *preapproved* *Advanced* drivers only.

KCRPCA is one of the friendliest and hospitable clubs in the country. DE events are action packed and fun for all, irrespective of experience. There will be a host of highly skilled and experienced Instructors on duty for Novice, and Intermediate Instruction, or for tips on improving driving technique. Heartland Park is a challenging track complete with elevation, camber and the famous and exhilarating “Alpha Zero”. A great gift for the car nut.

Charity Fun runs will be available during lunch for friends, and families to see the track.

This is a “no frills” event designed to maximize your track time while keeping costs down. We have been able to keep the cost of this event the same as last year.
