

**HRG** HERGESHEIMER RACING GRUPPE  
PERFORMANCE DRIVING SERIES

# POC HRGruppe PDS Clinic & Event #1 January 26-27, 2013 Streets of Willow

## Special Guest Magnus Walker

### The Urban Outlaw

The POC HRGruppe Performance Driving Series offers you the opportunity to learn the performance possibilities and limits of your car in a legal, controlled environment.

The Streets of Willow is a fun, technical track with straightaways, turns of all types as well as elevation changes. It's perfect for beginners and challenging for experts.

Our POC HRGruppe PDS Clinic is an exciting way to learn high-speed car control. Experience classroom instruction, driving exercises and continuous lapping on a real race track.

Event #1 will feature FIVE 20 minute run sessions of continuous lap action for every driver (schedule and weather permitting).

- Meet Magnus Walker and view his riveting new documentary, "Urban Outlaw." Magnus is a long-time POC racer and instructor who has driven his modified early 911 to many event class wins and championships.
- Free instruction from experienced POC racers Learn the right way the first time from the very best.
- FREE PDS T-shirt for every event #1 entrant.

You don't need a Porsche to run with us. All makes and models are welcome.

For more information about our POC HRGruppe PDS series and to register go to [porscheclub.com](http://porscheclub.com) NOW. Don't wait. Space is limited.

“ POC – On track, the place to be when the thrills of the street are not enough ”
