911 GT3 RS Coupe (991) Specification Sheet

Model Year 2016

**GT3 RS
Coupe**

PDK (Porsche Doppelkupplung) Dual Clutch Transmission	\$360,000
---	-----------

Engine

Water cooled aluminium six cylinder Direct Injection (DFI) Boxer engine, and rear engined configuration, 4 valves per cylinder, Variocam Plus camshaft control, on demand electronically controlled oil pump, Electronic accelerator pedal (E-Gas), Dynamic engine mounts, Sports Exhaust with 2 Catalytic Converters. ●

Capacity (cc)	3996
---------------	------

Power output (kW / bhp)	368/500
-------------------------	---------

at (rpm)	8,250
----------	-------

Max. torque (Nm)	460
------------------	-----

at (rpm)	6,250
----------	-------

0-100 km/h (seconds)	3.3
----------------------	-----

0-160 km/h (seconds)	7.1
----------------------	-----

Top speed (km/h)	310
------------------	-----

Transmission

PDK 7 Speed (Porsche Doppelkupplung) Dual Clutch Transmission	●
---	---

Porsche Torque Vectoring Plus (PTV)	●
-------------------------------------	---

Rear Wheel Drive	●
------------------	---

Fuel Consumption

Urban (litres/100km)	19.2
----------------------	------

Extra urban (litres/100km)	8.9
----------------------------	-----

Overall (litres/100km)	12.7
------------------------	------

Dimensions

Length (mm)	4,545
-------------	-------

Width (mm) - Without Exterior Mirrors	1,880
---------------------------------------	-------

Height (mm)	1,291
-------------	-------

Boot capacity (litres)	125
------------------------	-----

Fuel tank capacity (litres)	64
-----------------------------	----

Chassis / Brakes

Anti-lock Braking System (ABS)	●
--------------------------------	---

Monobloc 6 piston front, 4 piston rear brake disc callipers	●
---	---

Compound brake discs with alloy brake chambers, diameter of 380 mm at the front and rear.	●
---	---

Brake callipers painted red	●
-----------------------------	---

Electrically operated parking brake	●
-------------------------------------	---

Front Axle Lift System*	●
-------------------------	---

Porsche Stability Management (PSM) with ABS, ASR, ABD and MSR, deactivable in 2 stages	●
--	---

Porsche Active Suspension Management (PASM) with sports tuning and a lowered chassis	●
--	---

Dynamic engine mount system	●
-----------------------------	---

Electromechanical power steering	●
----------------------------------	---

Rear axle steering with sports tuning	●
---------------------------------------	---

Adjustable chassis for race track use (toe, camber, anti-roll bars)	●
---	---

20" GT3 RS forged alloy wheels, platinum-coloured, with central locking nut at front	
--	--

21" GT3 RS forged alloy wheels, platinum-coloured, with central locking nut at rear	
---	--

265/35 ZR 20 sports tyres in front, 325/30 ZR 21 sports tyres at the rear.	●
--	---

Tire Pressure Monitoring system (TPM) with race track mode*	●
---	---

Model Year 2016

GT3 RS
Coupe

Safety

Alarm system with electronic vehicle immobilisation	●
Full size driver and front passenger airbags	●
3-point automatic front seat-belts, with buckle on seat	●
Seat-belt pre-tensioners and force limiters	●
Porsche Side Impact Protection (POSIP) system, side impact protection in the doors, thorax airbag integrated into the side bolsters of the front seats, head airbags integrated into the door trims for driver and front passenger	●

Exterior Specification

Intelligent lightweight construction in Aluminium/Steel-composite construction	●
Lightweight luggage compartment lid & front wings made of carbon fibre reinforced plastic (CFRP)	●
Lightweight roof made of magnesium	●
Rear side section with integrated air intake openings	●
Sill covers in Black with wheel spoilers in front of the rear wheels	●
Front apron with integrated cooling air intakes including titanium-coloured grilles, spoiler lip	●
Rear lid in CFRP with alloy swing supports and CFRP rear wing	●
Door windows with hydrophobic coating	●
Rear and side windows made of polycarbonate	●
Bi-Xenon headlamps and cleaning system	●
Driving light assistant including Automatic Coming Home lights	●
"GT3 RS" logo on rear apron, Black	●
SportDesign exterior mirror on door panel, aspherical on driver's side	●
Electrically adjustable and heated exterior mirrors	●

Interior Specification

Automatic air conditioning with integrated active carbon filter	●
Cruise control*	●
Clubsports Package	●
Full Leather / Alcantara Interior*	●
Full bucket seats made from carbon fibre reinforced plastic in visible carbon (CFRP). Electric height adjustment manual longitudinal adjustment on the driver and front passenger sides. Black leather seat covering with the seat centre in Black Alcantara, headrests with stitched "GT3 RS" logo.	●
GT3 RS steering wheel with shift paddles, Alcantara steering wheel rim with yellow 12 o'clock marking and leather-covered airbag module in Black, manual height and fore/aft adjustment	●
GT3 RS gear selector with Black Alcantara handle, "GT3 RS" logo on the gear selector trim surround	●
Interior components in Carbon: dashboard decorative trim and centre console trim	●
Electrically operated windows with one-touch function	●
Instrument cluster with central rev counter and high-resolution 4.6-inch colour display with on-board computer functions, white illumination	●
Black instrument cluster dials with yellow pointers and increment markings	●
Rev counter with titanium-coloured dial, "GT3 RS" logo, gear and upshift indicator	●
CDR audio system with 7-inch colour touchscreen, radio, single CD drive with playback of music in MP3 format	●
Sound Package Plus (7-channel amplifier, 9 loudspeakers and a total output of 235 watts)*	●
Universal audio interface (AUX connection only) for connecting external audio devices	●
Mobile phone preparation*	●
