**Disclaimer**

All information is subject to change without notice. Neither Porsche Cars North America, Inc. nor the manufacturer can accept liability arising from the use of any information contained herein. Only an actual invoice issued by PCNA at the time a vehicle is sold to an authorized Porsche dealer may be used as an official indication of equipment and pricing. The Total Manufacturer's Suggested Retail Price (MSRP) shown excludes taxes, title, registration, other optional or regionally required equipment, and dealer charges. Actual selling prices are set by dealers and may vary.

**A special note concerning Individually Commissioned Equipment:**

If this document specifies any Individually Commissioned Equipment (option code CXX), the following special terms apply. The stated price of '0' for option code CXX means that no price can be established until the manufacturer has analyzed the request. There will be a substantial upcharge. The price and availability of Individually Commissioned Equipment can be determined only after review and analysis by the manufacturer. This order is subject to cancellation by either the ordering dealer or Porsche until the manufacturer has confirmed that it can provide the requested equipment; Porsche has provided to the ordering dealer a wholesale and Manufacturer's Suggested Retail Price; and the ordering dealer has confirmed that it accepts such pricing. Once the ordering dealer accepts such pricing and confirms this order, this order may not be canceled by dealer at any time for any reason. By confirming this order, the ordering dealer irrevocably agrees to accept delivery and pay for the ordered vehicle.
