Dear Sirs

Re Porsche VIN: WPOZZZ96ZNS491737

We, Porsche Cars Great Britain Limited confirm the above Porsche vehicle was originally manufactured by our parent Company, Dr Ing h c F Porsche AG in Germany, in the month of May 1992, to Japanese specification. The vehicle is Left-hand drive.

The vehicle was subsequently delivered to Porsche Cars, Japan and sold on 19th February 1993. The model year of this vehicle is 1992 and its original colour was Polar Silver Metallic.

Having checked our records on this vehicle, we are able to confirm the original engine number was 62N82577, and the original gearbox number was 2003974.

Please note that Porsche Cars Great Britain Limited is only able to provide information on vehicles at the point of manufacture. Should the vehicle have undergone any modifications or sustained any damage, the information provided above may prove inaccurate. We must draw your attention to the following:

Customs' current policy states that the information contained in this letter cannot be relied upon for their purposes in relation to any duty relief.

Yours sincerely

Katy Malone
