

Letter of Paint Certification

Advanced Detailing LLC certifies the paint on this 2009 Porsche 911 C4S Coupe, VIN #WPOAB29969S722442, to be the original paint. This is based on an inspection of paint thickness, which measured on average to be 4-10 mils thick, the correct color code of LB9A Carrera White. It shows no evidence of a repaint such as sanding marks, excessive orange peel, tape lines or any paint damage such as door dings showing more than one layer of color and no touchups were done. The paint is also a clearcoat/basecoat paint, which is also correct for the year, make and model of this vehicle. The paint does show evidence of factory orange peel which is within normal range for the original paint.
