

Numbers matching 1971 Conda Green Porsche 911T purchased from Neufeld Porsche (before it became Rector Porsche in Burlingame) with the same female owner since 1976. Local Norcal car its entire life. The Car had been sitting since 1993 and recently brought back to life:

- The vehicle is extremely dry, rust and corrosion free (undercarriage and floor pan videos available upon request)
- All 4 Brake calipers rebuilt, pads, rotors, rubber brake hoses, and the master cylinder (was leaking) replace
- The car is said to have about 20-30k miles on it since being rebuilt using 911S pistons and sleeves, the cam was ground to 911E specs by Elgin cams in Redwood City CA, and the Carburetor was replaced with Weber 40 IDA carbs (original Zenith carbs also included)
- Fuel pump replaced with a factory unit along with all rubber fuel hoses
- Carbs disassembled and thoroughly cleaned. The cap, rotor, points, and spark plugs replaced
- 2 brand new batteries in the correct size (expensive and hard to find)
- All 3 shifter bushings, engine oil, transmission oil, fuel filter replaced
- All 4 tires are period correct and brand new
- brand new carpet kit and Corbeau GTA low back seats (original seats also included with sale). The factory seat belts were still retained. The rear seat is still the original upholstery, the bottoms are in excellent shape but the tops do have a couple small holes on the backside. Brand new carpet for the rear seats not yet installed included in sale
- The dash is cracked but has a dash cap on it and functional

- All lights, heater, turn signals work with the exception of the horn
- Cosmetically, the roof is oxidized and the hood has plenty of paint chips. It has had 2 repaints in it's life. The first repaint was in a darker green because owner did not like the color, and have the vehicle repainted back to its original color
- Original "pink slip" and Blue California plates
- 167k miles shown on the odometer, but although the speedometer functions the odometer currently does not
- All other gauges function properly with the exception of the clock
- Also included with the sale are
 1. Original front seats (need reupholstering)
 2. Original Zenith Carburetors
 3. Original Porsche Leather Bra
 4. Car cover
 5. Brand new OEM window seal (came with car)
 6. Original package Shelf

This is an excellent base vehicle for a restoration project, or to be driven and enjoyed as a Survivor!
